LETTER FROM THE CHAIRMAN

Westmount Energy Limited

Directors:

Mervyn Bradlow *Director*
Thomas O’Gorman *Director*
David King *Director*

Registered Office:

No 2 The Forum Grenville Street

20 November 2015

Dear Shareholder

Open Offer of up to 9,830,300 new Ordinary Shares at 4 pence per share
Subscription of 6,000,000 at 4 pence per share

1. Introduction

The Board of Westmount has been considering the Company’s investment policy and its ability to continue to identify and assess appropriate investments in the energy sector. The Board considers that whilst there has been uncertainty in the sector and general negative sentiment in recent history that there will be opportunities to create value for investors in the medium term. Accordingly, it is pleased to announce that the Company is providing all Qualifying Shareholders with the opportunity to subscribe at the Issue Price for an aggregate of 9,830,300 new Ordinary Shares, to raise up to £393,212 before expenses, with a basic entitlement of 1 new Ordinary Shares for every 1 Existing Ordinary Shares, at 4 pence per share, payable in full on application.

The Issue Price is at a discount of 40.7 per cent. to the closing middle market price of 6.750 pence per Existing Ordinary Share on 19 November 2015 (being the last practicable date before the announcement of the Open Offer).

In connection with the Open Offer, the Board also announces that the Company has entered into Conditional Subscription Agreements with each of Mr John Craven and Mr Dermot Corcoran to subscribe for up to 3,000,000 Ordinary Shares each in the Company at the Issue Price or such lesser number of Ordinary Shares which would result in John Craven and Dermot Corcoran holding in aggregate such number of shares which (as closely as possible) represents an amount equal to but not exceeding 29.9 per cent. of the Enlarged Shares following the Open Offer (“**New Investor Subscription**”). The New Investor Subscription is not conditional on the Open Offer completing but is conditional on approval of the Shareholder Resolution. The Open Offer is conditional upon completion of the New Investor Subscription which means that if the New Investor Subscription is not completed then the Company will not proceed with the Open Offer.

The Open Offer is an invitation by the Company to Qualifying Shareholders to apply to acquire up to an aggregate of 9,830,300 new Ordinary Shares at a price of 4 pence per share. If you hold Existing Ordinary Shares on the Record Date or have a *bona fide* market claim, other than, subject to certain exceptions, where you are a Shareholder with a registered address or located in the United States or another Restricted Jurisdiction, you will be entitled to apply for Open Offer Shares under the Open Offer. Qualifying Shareholders will also be offered the opportunity to apply for additional shares in excess of their entitlement to the extent that other Qualifying Shareholders do not take up their Open Offer Entitlement in full. Please see Part 3 and Part 4 for further details.

Admission is expected to occur no later than 8.00 a.m. on 14 December 2015 (or such later time and/or date as Cenkos Securities and the Company may agree but not later than 14 January 2016). The Open Offer is not underwritten.

The Company may use its discretion in respect of any Excess Shares not taken up by Qualifying Shareholders to allot them to such places as the Company may determine. At present, should there be sufficient Excess Shares not taken up in the Open Offer, Gerard Walsh and Thomas O’Gorman intend to subscribe for their *pro rata* entitlement under the Open Offer and additional excess entitlements to bring their aggregate fully diluted holding to not more than 29.9 per cent. of the shares outstanding.

The purpose of this document is to explain the background to the Open Offer and to set out the reasons why your Board believes that the Open Offer is in the best interests of the Company and its Shareholders. This document is not a notice of the Annual General Meeting; that notice has been sent to Shareholders separately. Independent of the Annual General Meeting the Open Offer is not conditional on any resolutions being put to Shareholders at the Annual General Meeting. However, the Open Offer is conditional upon completion of the New Investor Subscription which is itself conditional on the Shareholder Resolution being approved. If the New Investor Subscription is not completed then the Company will not proceed with the Open Offer.

2. Reasons for the Open Offer, Subscription and Use of Proceeds

The Company operates solely as an energy investment company. The investment strategy of the Company is to provide seed capital to small companies that are identified as having significant growth possibilities. The Company is dependent on its investment portfolio to fund the corporate running costs. The Board has carefully considered the current market and believes that there are opportunities for investment in the medium term that will create shareholder value. Accordingly, the Board is recommending an Open Offer to existing shareholders and has entered into a conditional subscription agreement as part of the New Investor Subscription which is an agreement with two strategic investors in the sector to raise up to £240,000.

The Open Offer is expected to raise up to £393,212 before expenses. The proceeds from the Open Offer and the New Investor Subscription will be used for the ongoing working capital.

3. Results

The Company today published its results for the year ended 30 June 2015. The past year has been very challenging for investors in oil & gas assets. During the year Westmount generated a loss of £222,239 and had net assets of £522,073 as at 30 June 2015. As reported at the interim stage the board has financed the ongoing corporate overheads of the company by disposing of shares in its investment portfolio to finance ongoing administration costs.

4. Current Trading and Prospects

As noted in the Company’s interim results, over the past year, the fall in the oil price together with the risk off investment environment has resulted in a difficult environment to evaluate, execute and finance M&A activity in the energy sector. Share prices across the sector have been adversely affected, in particular companies exposed to high cost production and debt have been the hardest hit. Given the new oil price environment, efforts are continuing to find a suitable transaction or investment. The additional working capital raised as part of the Subscription and Open Offer today will allow the Company to continue to pursue these investments.

5. Principal Terms of the Open Offer

A total of 9,830,300 new Ordinary Shares are available to Qualifying Shareholders pursuant to the Open Offer at the Issue Price, payable in full on application. **Any Open Offer Shares not subscribed for by Qualifying Shareholders will be available to other Qualifying Shareholders under the Excess Application Facility.**

Although Qualifying Shareholders can apply for as many Open Offer Shares as they wish, Qualifying Shareholders will receive an entitlement to apply for Open Offer Shares pursuant to the Open Offer at the Issue Price on the following basis:

1 Open Offer Share for every 1 Existing Ordinary Share

registered in their name on the Record Date. Entitlements of Qualifying Shareholders will be rounded down to the nearest whole number of Open Offer Shares. Fractional entitlements which would otherwise arise will not be issued to the Qualifying Shareholders but will be made available under the Excess Application Facility.

The Excess Application Facility enables Shareholders to apply for Excess Shares in excess of their respective Open Offer Entitlements, if any. For the avoidance of doubt, Shareholders with no Open Offer Entitlement (by virtue of their owning fewer than 2,500 Existing Ordinary Shares), but excluding any Overseas Shareholder who has a registered address in the United States of America or any other Restricted Jurisdiction, may still apply for such number of Excess Shares under the Excess Application Facility as will increase their aggregate holding of Ordinary Shares in the Company to at least 5,000 Ordinary Shares in the Company.

Not all Shareholders will be Qualifying Shareholders. Shareholders who are located in, or are citizens of, or have a registered office in certain overseas jurisdictions will not qualify to participate in the Open Offer. The attention of Overseas Shareholders is drawn to paragraph 8 of Part 3 of this document.

Valid applications by Qualifying Shareholders will be satisfied in full up to their Open Offer Entitlements as shown on the Application Form for certificated Shareholders. Applicants can apply for fewer or more than their entitlements under the Open Offer but the Company cannot guarantee that any application for Excess Shares under the Excess Application Facility will be satisfied as this will depend in part on the extent to which other Qualifying Shareholders apply for fewer or more than their own Open Offer Entitlements. The Company may satisfy valid applications for Excess Shares of applicants in whole or in part but reserves the right not to satisfy any excess above any Open Offer Entitlement. The Board may scale back applications made in excess of Open Offer Entitlements on such basis as it reasonably considers to be appropriate.

Application has been made for the Open Offer Entitlements and Excess CREST Open Offer Entitlements to be admitted to CREST. It is expected that such Open Offer Entitlements and Excess CREST Open Offer Entitlements will be credited to CREST on 23 November 2015. The Open Offer Entitlements and Excess CREST Open Offer Entitlements will be enabled for settlement in CREST until 11.00 a.m. on 9 December 2015. Applications through the CREST system may only be made by the Qualifying CREST Shareholder originally entitled or by a person entitled by virtue of *bona fide* market claims. The Open Offer Shares must be paid in full on application. The latest time and date for receipt of completed Application Forms or CREST application and payment in respect of the Open Offer is 11.00 a.m. on 9 December 2015. The Open Offer is not being made to certain Overseas Shareholders, as set out in paragraph 8 of Part 3 of this document.

Qualifying Shareholders should note that the Open Offer is not a rights issue and therefore the Open Offer Shares which are not applied for by Qualifying Shareholders will not be sold in the market for the benefit of the Qualifying Shareholders who do not apply under the Open Offer. The Application Form is not a document of title and cannot be traded or otherwise transferred.

Further details of the Open Offer and the terms and conditions on which it is being made, including the procedure for application and payment, are contained in Part 3 of this document and on the accompanying Application Form.

The Open Offer Shares will be issued free of all liens, charges and encumbrances and will, when issued and fully paid, rank *pari passu* in all respects with the Existing Ordinary Shares, including the right to receive all dividends and other distributions declared, made or paid after the date of their issue.

Application will be made to the London Stock Exchange for the admission of the Open Offer Shares which are subscribed for to trading on AIM. It is expected that Admission will occur and that dealings will commence at 8.00 a.m. on 14 December 2015 at which time it is also expected that the Open Offer Shares will be enabled for settlement in CREST.

6. Details of the Subscription

The Board has recently considered certain proposals for further investment in the Company to provide additional working capital for the business of the Company.

One such proposal, the New Investor Subscription involves the subscription by each of Dermot Corcoran and John Craven for up to 3,000,000 new Ordinary Shares each (an aggregate of up to 6,000,000 new Ordinary Shares) in the Company at a proposed issue price of 4p per share, pursuant to the Conditional Subscription Agreements. The terms of the Conditional Subscription Agreements provide that the allotment on account of the subscription is to be made after payment has been received and shareholder approval has been obtained to the conversion of the shares of the Company to shares of no par value (see further at 8 below). It is presently intended that the subscription, allotment and issue of new Ordinary Shares of no par value, pursuant to the New Investor Subscription, will take place on or around 14 December 2015. The aggregate subscription price being up to £240,000 or such lesser amount based on the multiple of the number of shares subscribed to as part of the New Investor Subscription and £0.04.

The New Investor Subscription may involve the subscription by each of John Craven and Dermot Corcoran of less than 3,000,000 new Ordinary Shares each (so in aggregate less than 6,000,000 new Ordinary Shares) if subscriptions at that level would result in John Craven and Dermot Corcoran holding in aggregate such number of shares which would exceed 29.9 per cent. of the Enlarged Shares following the Open Offer.

The New Investor Subscription is not conditional on completion of the Open Offer but is conditional on the Shareholder Resolution being approved. The Open Offer is conditional upon completion of the New Investor Subscription which means that if the New Investor Subscription is not completed then the Company will not proceed with the Open Offer.

7. Directors Participation

In addition to taking up their *pro rata* entitlements in the Open Offer, Mr Gerard Walsh and Mr Thomas O’Gorman intend to subscribe for any additional excess entitlements not taken up by Qualifying Shareholders up to an aggregate level of 29.9 per cent. on a fully diluted basis. Each of Mr Gerard Walsh and Mr Thomas O’Gorman have given their respective Irrevocable Undertakings to the Company and Cenkos Securities that, among others, (i) each of them shall procure that all the Existing Ordinary Shares currently held by him will remain beneficially owned by him between the date of the respective Irrevocable Undertakings and up to the close of business on the Record Date as they are as at the date of the Irrevocable Undertakings; and (ii) each of them shall subscribe for (a) his full Open Offer Entitlement to Open Offer Shares pursuant to the Open Offer and, (b) subject only to (i) the availability of Excess Shares under the Excess Application Facility, (ii) allocation of such Excess Shares on a discretionary basis by the Directors of the Company and (iii) the aggregate holdings of each of Gerard Walsh and Thomas O’Gorman not exceeding 29.9 per cent. of the issued Enlarged Shares of the Company following the Open Offer, 900,000 Excess Shares each under the Excess Application Facility. This commitment constitutes a related party transaction under Rule 13 of the AIM Rules for Companies. The Company's independent director, David King, having consulted with the Company's nominated adviser, Cenkos Securities, considers that the terms of the transaction are fair and reasonable insofar as Shareholders are concerned.

8. Conversion to no par value

As the Ordinary Shares which are the subject of the New Investor Subscription and the Open Offer are to be issued at a price representing a discount to the market quoted price of the Existing Ordinary Shares as derived from the Official List of the London Stock Exchange, the Company considers it prudent to convert each of the authorised Ordinary Shares (including each of the Existing Ordinary Shares) into shares of no par value. It is also proposed that each of the authorised redeemable 'B' shares of the Company are converted into redeemable 'B' shares of no par value and that the Company be authorized to issue an unlimited number of shares.

The proposal to convert the shares of the Company to shares of no par value is to be put to the Company's members at the Annual General Meeting of the Company which is scheduled to take place on 11 December 2015.

On the conversion of company with par value shares to one with no par value shares, a no par value company is comprised of shares which are not expressed as having a nominal (or par) value. Instead of maintaining a nominal capital and/or a share premium account (or such other capital accounts) the Company would maintain a stated capital account which is not share capital. Any existing share capital or share premium is to be credited to the Company's stated capital account. A company with shares of no par value is also permitted to make distributions out of the stated capital account and be authorized to issue an unlimited number of shares.

9. Annual General Meeting

As Admission is to take place after the deadline for receipt of proxies in connection with the Annual General Meeting, votes may not be cast at the Annual General Meeting in respect of Open Offer Shares.

10. Overseas Shareholders

The attention of Qualifying Shareholders who have registered addresses outside the United Kingdom, or who are citizens or residents of countries other than the United Kingdom, or who are holding Existing Ordinary Shares for the benefit of such persons, (including, without limitation, custodians, nominees, trustees and agents) or who have a contractual or other legal obligation to forward this document or the Application Form to such persons, is drawn to the information which appears in paragraph 8 of Part 3 of this document.

In particular, Qualifying Shareholders who have registered addresses in or who are resident in, or who are citizens of, countries other than the UK (including without limitation the United States of America), should consult their professional advisers as to whether they require any governmental or other consents or need to observe any other formalities to enable them to take up their entitlements under the Open Offer.

11. Risk Factors and Additional Information

The attention of Shareholders is drawn to the risk factors set out in Part 2 and the information contained in Parts 3, 4 and 5 of this document, which provide additional information on the Open Offer and the Company.

12. Action to be Taken

Qualifying non-CREST Shareholders wishing to apply for Open Offer Shares or Excess Shares must complete the Application Form which accompanies this document in accordance with the instructions set out in paragraph 5.1 of Part 3 of this document and on the Application Form and return it with the appropriate payment to Capita Asset Services, Corporate Actions, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU, so as to arrive no later than 11.00 a.m. on 9 December 2015.

If you do not wish to apply for any Open Offer Shares under the Open Offer, you should not complete or return the Application Form.

If you are a Qualifying CREST Shareholder, no Application Form will be sent to you. Qualifying CREST Shareholders will have Open Offer Entitlements and Excess CREST Open Offer Entitlements credited to their stock accounts in CREST. You should refer to the procedure for application set out in paragraph 5.2 of Part 3 of this document. The relevant CREST instructions must have settled in accordance with the instructions in paragraph 5.2 of Part 3 of this document by no later than 11.00 a.m. on 9 December 2015.

Qualifying CREST Shareholders who are CREST sponsored members should refer to their CREST sponsors regarding the action to be taken in connection with this document and the Open Offer.

PART 2

RISK FACTORS

An investment in the Company involves a high degree of risk. Accordingly, in relation to any investment decision concerning Ordinary Shares you are advised to consult an investment adviser authorised under FSMA who specialises in the acquisition of shares and other securities. In addition to the other information contained in this document, the following risk factors affecting the Company's business should be considered carefully.

It should be noted that this list is not exhaustive and does not purport to be a complete explanation of all the risks and significant considerations involved in investing in the Company.

1. Risks relating to the Company and its business

Risks relating to investing and acquisition strategy

The Company's ability to grow the business and create value for Shareholders through its investment and acquisition strategy will depend on, among other things, the availability of suitable investment opportunities, the Company's ability to compete effectively for these investment opportunities and the availability of capital to complete such investment opportunities. The benefits of an investment or acquisition may often take considerable time to develop and the Company cannot guarantee that any investment or acquisition will produce the intended returns for investors.

Uncertainty relating to investments

The Company's investments are all minority interests publicly traded and listed on either the Alternative Investment Market ("AIM") of the London Stock Exchange or on the Australian Stock Exchange. Any movement in value of its investments will have an effect on its Net Asset Value. The Company's investments are in companies that are involved in exploration and production activities and are at an early stage of development. These companies may not be successful in their exploration and production activities. Adverse results announced by the investee companies may lead to decreased in their share prices and subsequently a corresponding decrease in Westmount's net asset value per share and its subsequent share price.

Working capital risks

The funds being sought pursuant to the investment proposals comprising the New Investor Subscription and the Open Offer may not be sufficient to meet the working capital requirements of the Company or improve the profitability of the Company and, depending on the options and strategies which are implemented, further recourse to shareholders and/or lenders may be necessary. Any future financing may dilute shareholders' proportionate ownership in the Company and could have a negative impact on the trading price and increase the volatility of the market price of the Ordinary Shares.

Small management team

The prospects of the Company are and will continue to be, to a significant extent, dependent on the expertise and experience of the directors. In common with similar sized companies, the Company has a small management team and accordingly, the loss of any one executive director or senior member of the management team may have a material effect on the strength of the management team until a suitable replacement is found.

Conflicts of interest

Certain directors of the Company are or may become associated with energy and oil sector or other investment companies which may give rise to conflicts of interest. In addition, certain directors of the Company have either full time employment or other business or time restrictions placed on them and accordingly, the Company will not be the only business enterprise of these directors and officers.

Expected Continued Operating Losses

The Company has a history of losses and there can be no assurance that the Company will be profitable in the future. The Company's operating expenses and capital expenditures may increase in subsequent years if consultants and personnel are added and consideration of further investments advances. The amounts and timing of expenditures will depend on the development of the Company's investment strategy, the results of consultants' analysis and recommendations, the rate at which losses are incurred and other factors, many of which may be beyond the Company's control.

There can be no assurance that the Company will achieve profitability.

Financing

The Company may raise further equity funds in the future to fund the Company's development strategy over the coming years, through the issue of Ordinary shares. Such funding may not be achieved and additional shares may have a dilutive effect on existing shareholders.

Taxation

This document has been prepared in accordance with current Jersey tax legislation, practice and concession and interpretation thereof. Any change in the Company's tax status or the tax applicable to a holding of the Ordinary Shares or in taxation legislation or its interpretation, could affect the value of the investments held by the Company, affect the Company's ability to provide returns to shareholders and/or alter the post-tax returns to shareholders. It should be noted that the taxation of an investment in the Company depends on the individual circumstances of investors.

Financial risk factors

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk.

(a) Market risk

Foreign exchange risk

The Company conducts its business primarily in GBP Sterling as it invests in companies listed on the London Stock Exchange, predominantly denominated in GBP Sterling and has cash balances denominated in Sterling. A portion of the Company's assets may be held in other currencies and so the Company is exposed to currency risks arising from fluctuations in various foreign currency exchange rates against GBP Sterling. The Company considers it has no significant foreign exchange risk.

Interest rate risk

The Company has no significant interest rate risk on interest-bearing assets. The Company has short-term cash deposits which exposes the Company to the effects of fluctuations in the prevailing levels of market interest rates on its cash flow. The Company does not have any borrowing.

Price risk

The Company is exposed to price risk on the investments held by the Company and which are classified by the Company as fair value through profit or loss. To manage its price risk the Company closely monitors the activities of its underlying investments. The fluctuations in the prices of the Company's investments may have favourable or unfavourable impacts on the Company.

(b) Credit risk

The Company is exposed to credit risk which arises from cash and time deposits with banks and also in respect of credit risk on the Company's investments. The Directors do not believe that the Company is subject to any significant credit risk exposure. The Directors regularly review the investments held by the Company.

(c) *Liquidity risk*

The Company's primary source of liquidity consists of cash and cash equivalents and investments held at fair value through profit or loss. The Company's investments at fair value through profit or loss are publicly traded and are deemed highly liquid. The Directors believes that liquidity risk is low.

Enforceability of Civil Liabilities

Certain of the Company's directors and officers reside outside of England and Wales. It may not be possible for investors to effect service of process within England and Wales upon such persons and it may also not be possible to enforce against the Company and/or such persons judgments obtained in English courts predicated upon the civil liability provisions of applicable securities laws in England and Wales.

2. Risks relating to the Ordinary Shares

Trading on AIM and Liquidity

Investment in shares traded on AIM is perceived to involve a higher degree of risk and to be less liquid than investment in companies whose shares are listed on the Official List of the London Stock Exchange. The AIM Rules for Companies are less demanding than those of the Official List. It is emphasised that no application is being made for an admission of the company's securities to the Official List of the London Stock Exchange. An investment in the ordinary shares may be difficult to realise.

The share prices of publicly quoted companies can be volatile. The price of shares is dependent upon a number of factors, some of which are general or market specific, others which are sector specific and others which are specific to the Company. It may be the case that the market price of the Ordinary Shares does not fully reflect the underlying net asset value of the Company.

Although the Ordinary Shares will be traded on AIM, this should not be taken as implying that there will always be a liquid market in the Ordinary Shares. In addition, the market for shares in smaller public companies is less liquid than for larger public companies and the fact that a significant proportion of the Ordinary Shares will be held by a small number of persons may also affect the liquidity of the market for the Ordinary Shares. Therefore an investment in the Ordinary Shares may be difficult to realise and the share price may be subject to greater fluctuations than might otherwise be the case.

The Ordinary Shares are quoted on AIM rather than on the Official List of the UK Listing Authority. An investment in shares quoted on AIM may carry a higher risk than an investment in shares quoted on the Official List as the AIM Rules are less demanding than the rules of the Official List. Investors should be aware that the value of the Ordinary Shares may be volatile and may go down as well as up and investors may not recover their original investment.

Future sales of the Ordinary Shares could adversely affect the price of these shares and there is a risk that substantial Shareholders will decide to sell a significant portion of their holdings. The sale of a significant amount of the Ordinary Shares in the public market could materially adversely affect the market price of the Ordinary Shares.

No History of Dividends

The Company does not expect to pay a dividend on its Ordinary Shares and does not expect to do so in the foreseeable future. Any future determination to pay dividends will be at the discretion of the Board and will depend upon the capital requirements of the Company, results of operations and such other factors as the Board considers relevant.

Dilution

If a Shareholder does not take up his entitlement under the Open Offer, his interest in the Company may be diluted. In addition, to the extent that Shareholders do not take up their entitlement of Open Offer Shares, their proportionate voting interest in the Company may be reduced.

Differing Rights and Obligations

Westmount Energy Limited is a public limited company incorporated under the laws of Jersey. The rights and obligations of holders of Ordinary Shares are governed by Jersey law, including the Companies Law and by the Company's Articles of Association. These rights and obligations differ in certain respects from the rights and obligations of shareholders in corporations governed by the law of England and Wales.

PART 3

TERMS AND CONDITIONS OF THE OPEN OFFER

1. Introduction

As explained in the letter from the Chairman set out in Part 1 of this document, the Company is proposing to raise up to £393,212 (before expenses) by way of the Open Offer.

The purpose of this Part 3 is to set out the terms and conditions of the Open Offer. Up to 9,830,300 new Ordinary Shares will be issued through the Open Offer. Qualifying Shareholders are being offered the right to subscribe for Open Offer Shares in accordance with the terms of the Open Offer. The Open Offer has not been underwritten. The Open Offer is conditional upon completion of the New Investor Subscription. If the New Investor Subscription is not completed then the Company will not proceed with the Open Offer and the Open Offer will lapse.

The Record Date for entitlements under the Open Offer for Qualifying CREST Shareholders and Qualifying non-CREST Shareholders is 5.30 p.m. on 18 November 2015. An Application Form for use by Qualifying Non-CREST Shareholders accompanies this document and Open Offer Entitlements and Excess CREST Open Offer Entitlements are expected to be credited to stock accounts of Qualifying CREST Shareholders in CREST on 23 November 2015.

Subject to availability, the Excess Application Facility will enable a Shareholder who has taken up all his Open Offer Entitlement to apply for Excess Shares. For the avoidance of doubt, Shareholders with no Open Offer Entitlement (by virtue of their owning fewer than 2,500 Existing Ordinary Shares) but excluding any Overseas Shareholder who has a registered address in the United States of America or any other Restricted Jurisdiction, may still apply for such number of Excess Shares under the Excess Application Facility as will increase their aggregate holding of Ordinary Shares in the Company to at least 5,000 Ordinary Shares in the Company. Further details in relation to the Excess Application Facility are set out in Part 4 of this document and, for non-CREST Shareholders, on the Application Form.

The latest time and date for receipt of a completed Application Form and payment in full under the Open Offer and settlement of relevant CREST instructions (as appropriate) is expected to be 11.00 a.m. on 9 December 2015 with Admission and commencement of dealings in Open Offer Shares expected to take place at 8.00 a.m. on 14 December 2015.

This document (and for Qualifying non-CREST Shareholders only, the Application Form) contains the formal terms and conditions of the Open Offer. Your attention is drawn to paragraph 5 of this Part 3, which gives details of the procedure for application and payment for the Open Offer Shares and any Excess Shares applied for pursuant to the Excess Application Facility.

The Open Offer Shares will, when issued and fully paid, rank equally in all respects with the Existing Ordinary Shares, including the right to receive all dividends or other distributions made, paid or declared, if any, by reference to a record date after the date of their issue.

The Open Offer is an opportunity for Qualifying Shareholders to apply for up to an aggregate of 9,830,300 new Ordinary Shares *pro rata* (excepting fractional entitlements) to their current holdings at the Issue Price in accordance with the terms of the Open Offer.

Qualifying Shareholders are also being offered the opportunity to apply for additional Open Offer Shares in excess of their Open Offer Entitlement to the extent that other Qualifying Shareholders do not take up their Open Offer Entitlement in full. The Excess Application Facility enables Qualifying Shareholders to apply for Excess Shares in excess of their Open Offer Entitlement as at the Record Date.

Any Qualifying Shareholder who has sold or transferred all or part of his/her registered holding(s) of Ordinary Shares prior to the Ex-entitlement Date is advised to consult his or her stockbroker, bank or other agent through or to whom the sale or transfer was effected as soon as possible since the invitation to apply for Open Offer Shares under the Open Offer may be a benefit which may be claimed from him/her by the purchasers under the rules of the London Stock Exchange.

2. The Open Offer

Subject to completion of the New Investor Subscription and the terms and conditions set out below (and in the case of Qualifying non-CREST Shareholders, in the Application Form), Qualifying Shareholders are being given the opportunity under the Open Offer to subscribe for Open Offer Shares at the Issue Price *pro rata* to their holdings, payable in full on application. The Issue Price represents a discount of 40.7 per cent. to the closing middle market price of 6.750 pence per Existing Ordinary Share on 19 November 2015 (being the last practicable date before announcement of the Open Offer). The Open Offer is conditional upon completion of the New Investor Subscription. If the New Investor Subscription is not completed then the Company will not proceed with the Open Offer and the Open Offer will lapse.

Qualifying Shareholders will be entitled to apply for:

1 Open Offer Share for every 1 Existing Ordinary Share

registered in their name on the Record Date. Entitlements under the Open Offer will be rounded down to the nearest whole number of Open Offer Shares, with fractional entitlements being aggregated and made available under the Excess Application Facility.

Holdings of Existing Ordinary Shares in certificated and uncertificated form will be treated as separate holdings for the purpose of calculating entitlements under the Open Offer, as will holdings under different designations and in different accounts.

If you are a Qualifying non-CREST Shareholder, the Application Form shows the number of Existing Ordinary Shares registered in your name on the Record Date (in Box 6) and your Open Offer Entitlement (in Box 7).

If you are a Qualifying CREST Shareholder, application will be made for your Open Offer Entitlement and Excess CREST Open Offer Entitlement to be credited to your CREST account. Open Offer Entitlements and Excess CREST Open Offer Entitlements are expected to be credited to CREST accounts on 23 November 2015. The Existing Ordinary Shares are already admitted to CREST. Accordingly, no further application for admission to CREST is required for the new Ordinary Shares. All such shares, when issued and fully paid, may be held and transferred by means of CREST.

Subject to availability, the Excess Application Facility will enable Qualifying Shareholders, provided they have taken up their Open Offer Entitlement in full, to apply for further Open Offer Shares in excess of their respective Open Offer Entitlements. For the avoidance of doubt, Shareholders with no Open Offer Entitlement (by virtue of their owning fewer than 2,500 Existing Ordinary Shares), but excluding any Overseas Shareholder who has a registered address in the United States of America or any other Restricted Jurisdiction, may still apply for such number of Excess Shares under the Excess Application Facility as will increase their aggregate holding of Ordinary Shares in the Company to at least 5,000 Ordinary Shares in the Company. Further details in relation to the Excess Application Facility are set out in Part 4 of this document and, for Qualifying non-CREST Shareholders, the Application Form. Qualifying CREST Shareholders will have their Open Offer Entitlements and Excess CREST Open Offer Entitlements credited to their stock accounts in CREST and should refer to paragraph 5.2 of this Part 3 for information on the relevant CREST procedures and further details on the Excess Application Facility. Qualifying CREST Shareholders can also refer to the CREST Manual for further information on the relevant CREST procedures.

If applications under the Excess Application Facility are received for more than the total number of Open Offer Shares available following take up of Open Offer Entitlements, such applications may be allocated in such manner as the Directors may determine in their absolute discretion and no assurance can be given that excess applications by Qualifying Shareholders will be met in full or in part or at all.

If applications are received, including under the Excess Application Facility, for less than the total number of Open Offer Shares available, the Company may use its discretion in respect of any Excess Shares not taken up by Qualifying Shareholders to allot them to such places as the Company may determine.

Please refer to paragraphs 5.1(g) and 5.2(j) of this Part 3 for further details of the Excess Application Facility.

Qualifying Shareholders should be aware that the Open Offer is not a rights issue and is conditional upon completion of the New Investor Subscription. Qualifying non-CREST Shareholders should also note that their respective Application Forms are not negotiable documents and cannot be traded. Qualifying CREST Shareholders should note that, although the Open Offer Entitlements and Excess CREST Open Offer Entitlements will be credited through CREST and be enabled for settlement, applications in respect of entitlements under the Open Offer may only be made by the Qualifying Shareholder originally entitled or by a person entitled by virtue of a *bona fide* market claim raised by Euroclear's Claims Processing Unit. Open Offer Shares not applied for under the Open Offer will not be sold in the market for the benefit of those who do not apply under the Open Offer. Any Open Offer Shares which are not applied for by Qualifying Shareholders under the Open Offer will not be issued by the Company as the Open Offer is not underwritten. Open Offer Shares will not be issued by the Company unless completion of the New Investor Subscription occurs.

The attention of Overseas Shareholders is drawn to paragraph 8 of this Part 3.

The Open Offer Shares will, when issued and fully paid, rank in full for all dividends and other distributions declared, made or paid after the date of this document and otherwise *pari passu* in all respects with the Existing Ordinary Shares. The Open Offer Shares are only being made available under the terms of the Open Offer and are not being made available in whole or in part to the public.

3. New Investor Subscription

The Open Offer is conditional upon completion of the New Investor Subscription. Open Offer Shares will not be issued by the Company unless completion of the New Investor Subscription occurs.

4. Further terms of the Open Offer

No temporary documents of title will be issued in respect of Open Offer Shares held in uncertificated form. Definitive certificates in respect of Open Offer Shares taken up are expected to be posted to those Qualifying Shareholders who have validly elected to hold their Open Offer Shares in certificated form by 31 December 2015.

In respect of those Qualifying Shareholders who have validly elected to hold their Open Offer Shares in uncertificated form, the Open Offer Shares are expected to be credited to their stock accounts maintained in CREST on 14 December 2015.

Application will be made for the Open Offer Shares to be admitted to trading on AIM, and Admission is expected to occur at 8.00 a.m. on 14 December 2015, when dealings in the Open Offer Shares are expected to begin.

If for any reason it becomes necessary to adjust the expected timetable as set out in this document, the Company will notify the London Stock Exchange and make an appropriate announcement to a Regulatory Information Service giving details of the revised dates.

5. Procedure for application and payment

The action to be taken by you in respect of the Open Offer depends on whether, at the relevant time, you are sent an Application Form in respect of your Open Offer Entitlement under the Open Offer or your Open Offer Entitlement and Excess CREST Open Offer Entitlement is credited to your CREST stock account.

Qualifying Shareholders who hold all or part of their Existing Ordinary Shares in certificated form will receive the Application Form, which accompanies this document. The Application Form shows the number of Existing Ordinary Shares held at the Record Date. It will also show Qualifying Shareholders their Open Offer Entitlement that can be allotted in certificated form. Qualifying Shareholders who hold all their Existing Ordinary Shares in CREST will only be able to apply for Open Offer Shares through the CREST system.

Qualifying Shareholders who hold part of their Existing Ordinary Shares in uncertificated form will be allotted Open Offer Shares for which they subscribe in uncertificated form to the extent that their entitlement to Open Offer Shares arises as a result of holding Existing Ordinary Shares in uncertificated form. However, it will be possible for Qualifying Shareholders to deposit Open Offer Entitlements into, and withdraw them from, CREST. Further information on deposit and withdrawal from CREST is set out in paragraph 4.2 of this Part 3.

CREST sponsored members should refer to their CREST sponsor, as only their CREST sponsor will be able to take the necessary action specified below to apply under the Open Offer in respect of the Open Offer Entitlements and Excess CREST Open Offer Entitlements of such members held in CREST. CREST members who wish to apply under the Open Offer in respect of their Open Offer Entitlements and Excess CREST Open Offer Entitlements should refer to the CREST Manual for further information on the CREST procedures referred to below.

Qualifying Shareholders who do not want to apply for the Open Offer Shares under the Open Offer should take no action and should not complete or return the Application Form, or send an Unmatched Stock Event (USE) message through CREST.

5.1. If you are sent an Application Form in respect of your Open Offer Entitlement under the Open Offer

(a) General

Subject to paragraph 8 of this Part 3 in relation to Overseas Shareholders, Qualifying non-CREST Shareholders will receive an Application Form. The Application Form shows the number of Existing Ordinary Shares registered in their name on the Record Date in Box 6. It also shows the Open Offer Entitlement allocated to them set out in Box 7. Entitlements to Open Offer Shares are rounded down to the nearest whole number and any fractional entitlements to Open Offer Shares will be aggregated and made available under the Excess Application Facility. Box 8 shows how much they would need to pay if they wish to take up their Open Offer Entitlement in full. Qualifying non-CREST Shareholders may apply for less than their entitlement should they wish to do so. Qualifying non-CREST Shareholders may also hold such an Application Form by virtue of a *bona fide* market claim.

Under the Excess Application Facility, provided they have agreed to take up their Open Offer Entitlement in full, Qualifying non-CREST Shareholders may apply for more than the amount of their Open Offer Entitlement should they wish to do so. The Excess Application Facility enables Qualifying Shareholders to apply for Excess Shares in excess of their Open Offer Entitlement as at the Record Date. The Excess Shares may be allocated in such manner as the Directors may determine in their absolute discretion and no assurance can be given that excess applications by Qualifying Shareholders will be met in full or in part or at all.

The instructions and other terms set out in the Application Form form part of the terms of the Open Offer in relation to Qualifying non-CREST Shareholders.

(b) bona fide market claims

Applications to acquire Open Offer Shares may only be made on the Application Form and may only be made by the Qualifying non-CREST Shareholder named in it or by a person entitled by virtue of a *bona fide* market claim in relation to a purchase of Existing Ordinary Shares through the market prior to the date upon which the Existing Ordinary Shares were marked “ex” the entitlement to participate in the Open Offer. Application Forms may not be sold, assigned, transferred or split, except to satisfy *bona fide* market claims up to 3.00 p.m. on 7 December 2015. The Application Form is not a negotiable document and cannot be separately traded. A Qualifying non-CREST Shareholder who has sold or otherwise transferred all or part of his holding of Existing Ordinary Shares prior to the date upon which the Existing Ordinary Shares were marked “ex” the entitlement to participate in the Open Offer, should contact his broker or other professional adviser authorised under FSMA through whom the sale or purchase was effected as soon as possible, as the invitation to acquire Open Offer Shares under the Open Offer may be a benefit which may be claimed by the purchaser(s) or transferee(s).

Qualifying non-CREST Shareholders who have sold all or part of their registered holding should, if the market claim is to be settled outside CREST, complete Box 10 on the Application Form and immediately send it to the stockbroker, bank or other agent through whom the sale or transfer was effected for transmission to the purchaser or transferee. The Application Form should not, however, be forwarded to or transmitted in or into the United States of America, or any other Restricted Jurisdiction. If the market claim is to be settled outside CREST, the beneficiary of the claim should follow the procedures set out in the accompanying Application Form. If the market claim is to be settled in CREST, the beneficiary of the claim should follow the procedure set out in paragraph 5.2 below.

(c) Application procedures

Qualifying non-CREST Shareholders wishing to apply to acquire Open Offer Shares (whether in respect of all or part of their Open Offer Entitlement or in addition to their Open Offer Entitlement under the Excess Application Facility) should complete the Application Form in accordance with the instructions printed on it. Qualifying non-CREST Shareholders may only apply for Excess Shares if they have agreed to take up their Open Offer Entitlements in full. The Excess Shares may be allocated in such manner as the Directors may determine in their absolute discretion and no assurance can be given that excess applications by Qualifying Shareholders will be met in full or in part or at all.

Completed Application Forms should be posted to Capita Asset Services, Corporate Actions, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU, or returned by hand (during normal business hours only) so as to be received by Capita Asset Services by no later than 11.00 a.m. on 9 December 2015. The Company reserves the right to treat any application not strictly complying with the terms and conditions of application as nevertheless valid. The Company further reserves the right (but shall not be obliged) to accept either Application Forms or remittances received after 11.00 a.m. on 9 December 2015. Qualifying non-CREST Shareholders should note that applications, once made, will be irrevocable and receipt thereof will not be acknowledged. Multiple applications will not be accepted. If an Application Form is being sent by first-class post in the UK, Qualifying Shareholders are recommended to allow at least four working days for delivery.

The Company may in its sole discretion, but shall not be obliged to, treat an Application Form as valid and binding on the person by whom or on whose behalf it is lodged, even if not completed in accordance with the relevant instructions or not accompanied by a valid power of attorney where required, or if it otherwise does not strictly comply with the terms and conditions of the Open Offer. The Company further reserves the right (but shall not be obliged) to accept either:

- (i) Application Forms received after 11.00 a.m. on 9 December 2015; or
- (ii) applications in respect of which remittances are received before 11.00 a.m. on 9 December 2015 from authorised persons (as defined in FSMA) specifying the Open Offer Shares applied for and undertaking to lodge the Application Form in due course but, in any event, within two working

days of such application (or such longer period as the Directors may in their absolute discretion accept).

All documents and remittances sent by post by, to, from or on behalf of an applicant (or as the applicant may direct) will be sent entirely at the applicant's own risk.

(d) Payments

All payments must be in pounds sterling and made by cheque or banker's draft made payable to "Capita Registrars Limited re: Westmount Energy Limited Open Offer A/C" and crossed "A/C Payee Only". Cheques or banker's drafts must be drawn on a bank or building society or branch of a bank or building society in the United Kingdom or Channel Islands which is either a settlement member of the Cheque and Credit Clearing Company Limited or the CHAPS Clearing Company Limited or which has arranged for its cheques and banker's drafts to be cleared through the facilities provided by any of those companies or committees and must bear the appropriate sort code in the top right-hand corner and must be for the full amount payable on application. Third party cheques will not be accepted with the exception of building society cheques or banker's drafts where the building society or bank has confirmed the name of the account holder by stamping or endorsing the back of the cheque or draft to confirm that the relevant Qualifying Shareholder has title to the underlying funds. The account name should be the same as that shown on the application. Post-dated cheques will not be accepted.

Cheques or banker's drafts will be presented for payment upon receipt. The Company reserves the right to instruct Capita Asset Services to seek special clearance of cheques and banker's drafts to allow the Company to obtain value for remittances at the earliest opportunity (and withhold definitive share certificates (or crediting to the relevant member account, as applicable) pending clearance thereof). No interest will be paid on payments made. It is a term of the Open Offer that cheques shall be honoured on first presentation and the Company may elect to treat as invalid acceptances in respect of which cheques are not so honoured. All documents, cheques and banker's drafts sent through the post will be sent at the risk of the sender. Payments via CHAPS, BACS or electronic transfer will not be accepted.

If Open Offer Shares have already been allotted to a Qualifying non-Crest Shareholder and such Qualifying non-Crest Shareholder's cheque or banker's draft is not honoured upon first presentation or such Qualifying non-Crest Shareholder's application is subsequently otherwise deemed to be invalid, Capita Asset Services shall be authorised (in its absolute discretion as to manner, timing and terms) to make arrangements, on behalf of the Company, for the sale of such Qualifying non-Crest Shareholder's Open Offer Shares and for the proceeds of sale (which for these purposes shall be deemed to be payments in respect of successful applications) to be paid to and retained by the Company. None of Capita Asset Services, Cenkos Securities or the Company nor any other person shall be responsible for, or have any liability for, any loss, expense or damage suffered by such Qualifying non-Crest Shareholders.

(e) Incorrect Sums

If an Application Form encloses a payment for an incorrect sum, the Company through Capita Asset Services reserves the right:

- (i) to reject the application in full and return the cheque or banker's draft or refund the payment to the Qualifying non-CREST Shareholder in question; or
- (ii) in the case that an insufficient sum is paid, to treat the application as a valid application for such lesser whole number of Open Offer Shares as would be able to be applied for with that payment at the Issue Price, refunding any unutilised sum to the Qualifying non-CREST Shareholder in question, save that any sums of less than £2 will be retained for the benefit of the Company; or
- (iii) in the case that an excess sum is paid, to treat the application as a valid application for all of the Open Offer Shares referred to in the Application Form, refunding any unutilised sums to the Qualifying non-CREST Shareholder in question, save that any sums of less than £2 will be retained for the benefit of the Company.

All monies received by Capita Asset Services in respect of Open Offer Shares will be held in a separate non-interest bearing account.

(f) The Excess Application Facility

Provided they choose to take up their Open Offer Entitlement in full, the Excess Application Facility enables a Qualifying non-CREST Shareholder to apply for Excess Shares. Non-CREST Shareholders wishing to apply for Excess Shares may do so by completing Box 3 of the Application Form. For the avoidance of doubt, Shareholders with no Open Offer Entitlement (by virtue of their owning fewer than 2,500 Existing Ordinary Shares) but excluding any Overseas Shareholder who has a registered address in the United States of America or any other Restricted Jurisdiction, may still apply such number of Excess Shares under the Excess Application Facility as will increase their aggregate holding of Ordinary Shares in the Company to at least 5,000 Ordinary Shares in the Company.

If applications under the Excess Application Facility are received for more than the total number of Open Offer Shares available following take up of Open Offer Entitlements, the Excess Shares may be allocated in such manner as the Directors may determine in their absolute discretion and no assurance can be given that excess applications by Qualifying Shareholders will be met in full or in part or at all. Qualifying non-CREST Shareholders who wish to apply for Excess Shares must complete the Application Form in accordance with the instructions set out on the Application Form.

Should applications for Open Offer Shares exceed the total number of shares available under the Open Offer, resulting in a scale back of applications, each Qualifying non-CREST Shareholder who has made a valid application for Excess Shares and from whom payment in full for the Excess Shares has been received will receive a pounds sterling amount equal to the number of Excess Shares applied and paid for but not allocated to the relevant Qualifying non-CREST Shareholder multiplied by the Issue Price. Monies will be returned as soon as reasonably practicable thereafter, without payment of interest and at the applicant's sole risk.

(g) Effect of application

All documents and remittances sent by post by, to, from, or on behalf of or to an applicant (or as the applicant may direct) will be sent entirely at the applicant's own risk. By completing and delivering an Application Form the applicant:

- (i) represents and warrants to the Company and Cenkos Securities that he has the right, power and authority, and has taken all action necessary, to make the application under the Open Offer and to execute, deliver and exercise his rights, and perform his obligations under any contracts resulting therefrom and that he is not a person otherwise prevented by legal or regulatory restrictions from applying for Open Offer Shares or acting on behalf of any such person on a non-discretionary basis;
- (ii) agrees with the Company and Cenkos Securities that all applications under the Open Offer and contracts resulting therefrom, and any non-contractual obligations related thereto, shall be governed by and construed in accordance with the laws of England;
- (iii) confirms to the Company and Cenkos Securities that in making the application he is not relying on any information or representation in relation to the Company other than that contained in this document, and the applicant accordingly agrees that no person responsible solely or jointly for this document or any part thereof, or involved in the preparation thereof, shall have any liability for any such information or representation not so contained and further agrees that, having had the opportunity to read this document, he will be deemed to have had notice of all information in relation to the Company contained in this document (including information incorporated by reference);
- (iv) represents and warrants to the Company that he is the Qualifying Shareholder originally entitled to the Open Offer Entitlement;

- (v) represents and warrants to the Company that if he has received some or all of his Open Offer Entitlement from a person other than the Company he is entitled to apply under the Open Offer in relation to such Open Offer Entitlement by virtue of a *bona fide* market claim;
- (vi) requests that the Open Offer Shares to which he will become entitled, be issued to him on the terms set out in this document and the Application Form, subject to the memorandum of association and articles of association of the Company from time to time;
- (vii) represents and warrants to the Company that he is not in, nor is he applying on behalf of any person who is in, the United States, or is a citizen or resident, or which is a corporation, partnership or other entity created or organised in or under any laws, of the United States of America, or any other Restricted Jurisdiction or any other jurisdiction in which the application for Open Offer Shares is prevented by law and he is not applying with a view to re-offering, re-selling, transferring or delivering any of the Open Offer Shares which are the subject of his application in the United States or to, or for the benefit of any person who is a citizen or resident or which is a corporation, partnership or other entity created or organised in or under any laws of the United States of America, any other Restricted Jurisdiction or any other jurisdiction in which the application for Open Offer Shares is prevented by law (except where proof satisfactory to the Company has been provided to the Company that it may accept the application free of any requirement which it (in its absolute discretion) regards as unduly burdensome), nor acting on behalf of any such person on a non-discretionary basis nor (a) person(s) otherwise prevented by legal or regulatory restrictions from applying for Open Offer Shares under the Open Offer;
- (viii) represents and warrants to the Company that he is not, and he is not applying as nominee or agent for, a person who is or may be liable to notify and account for tax under the Stamp Duty Reserve Tax Regulations 1986 at any of the increased rates referred to in sections 67, 70, 93 or 96 (depository receipts and clearance services) of the Finance Act 1986; and
- (ix) confirms that in making the application he is not relying and has not relied on the Company or Cenkos Securities or any person affiliated with the Company in connection with any investigation of the accuracy of any information contained in this document or his investment decision.

If you have any questions relating to this document and the completion of and return of the Application Form, please contact Capita Asset Services on 0371 664 0321 from within the UK or on + 44 20 8639 3399 if calling from outside the UK. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. We are open between 9.00 a.m. – 5.30 p.m., Monday to Friday excluding public holidays in England and Wales. Different charges may apply to calls from mobile telephones and calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of the Proposals nor give any financial, legal or tax advice.

(h) Action to take

Qualifying non-CREST Shareholders who do not want to take up or apply for the Open Offer Shares under the Open Offer should take no action and should not complete or return the Application Form.

A Qualifying non-CREST Shareholder who is also a CREST member may elect to receive the Open Offer Shares to which he is entitled in uncertificated form in CREST. Please see paragraph 5.2 below for more information.

5.2. If you have an Open Offer Entitlement and an Excess CREST Open Offer Entitlement credited to your stock account in CREST in respect of your entitlement under the Open Offer

(a) General

Subject to paragraph 8 of this Part 3 in relation to certain Overseas Shareholders, each Qualifying CREST Shareholder will receive a credit to his stock account in CREST of his Open Offer Entitlement

equal to the maximum number of Open Offer Shares for which he is entitled to apply under the Open Offer plus the number of Excess Shares for which he is entitled to apply under the Excess CREST Open Offer Entitlement. Entitlements to Open Offer Shares will be rounded down to the nearest whole number and any Open Offer Entitlements have therefore also been rounded down. Any fractional entitlements to Open Offer Shares arising will be aggregated and made available under the Excess Application Facility.

The CREST stock account to be credited will be an account under the participant ID and member account ID that apply to the Existing Ordinary Shares held on the Record Date by the Qualifying CREST Shareholder in respect of which the Open Offer Entitlements and Excess CREST Open Offer Entitlements have been allocated.

If for any reason Open Offer Entitlements and/or the Excess CREST Open Offer Entitlements cannot be admitted to CREST by, or the stock accounts of Qualifying CREST Shareholders cannot be credited by, 14 December 2015, or such later time and/or date as the Company may decide, an Application Form will be sent to each Qualifying CREST Shareholder in substitution for the Open Offer Entitlement and Excess CREST Open Offer Entitlement which should have been credited to his stock account in CREST. In these circumstances the expected timetable as set out in this document will be adjusted as appropriate and the provisions of this document applicable to Qualifying non-CREST Shareholders with Application Forms will apply to Qualifying CREST Shareholders who receive an Application Form.

CREST members who wish to apply to acquire some or all of their entitlements to Open Offer Shares and apply for their Excess CREST Open Offer Entitlements should refer to the CREST Manual for further information on the CREST procedures referred to below. Should you need advice with regard to these procedures, please contact Capita Asset Services on 0371 664 0321 from within the UK or on + 44 20 8639 3399 if calling from outside the UK. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. We are open between 9.00 a.m. – 5.30 p.m., Monday to Friday excluding public holidays in England and Wales. Different charges may apply to calls from mobile telephones and calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of the Proposals nor give any financial, legal or tax advice.

(b) Market claims

Each of the Open Offer Entitlements and Excess CREST Open Offer Entitlements will constitute a separate security for the purposes of CREST. Although Open Offer Entitlements and Excess CREST Open Offer Entitlements will be admitted to CREST and be enabled for settlement, applications in respect of Open Offer Entitlements and Excess CREST Open Offer Entitlements may only be made by the Qualifying Shareholder originally entitled or by a person entitled by virtue of a *bona fide* market claim transaction. Transactions identified by the CREST Claims Processing Unit as “cum” the Open Offer Entitlement and Excess CREST Open Offer Entitlements will generate an appropriate market claim transaction and the relevant Open Offer Entitlement(s) and Excess CREST Open Offer Entitlement(s) will thereafter be transferred accordingly.

(c) Unmatched Stock Event (“USE”) instructions

Qualifying CREST Shareholders who are CREST members and who want to apply for Open Offer Shares in respect of all or some of their Open Offer Entitlements and their Excess CREST Open Offer Entitlements in CREST must send (or, if they are CREST sponsored members, procure that their CREST sponsor sends) an USE instruction to Euroclear which, on its settlement, will have the following effect:

- (i) the crediting of a stock account of Capita Asset Services under the participant ID and member account ID specified below, with a number of Open Offer Entitlements or Excess CREST Open Offer Entitlements corresponding to the number of Open Offer Shares applied for; and

- (ii) the creation of a CREST payment, in accordance with the CREST payment arrangements in favour of the payment bank of Capita Asset Services in respect of the amount specified in the USE Instruction which must be the full amount payable on application for the number of Open Offer Shares referred to in paragraph 5.2(c)(i) above.

(d) Content of USE instruction in respect of Open Offer Entitlements

The USE instruction must be properly authenticated in accordance with Euroclear's specifications and must contain, in addition to the other information that is required for settlement in CREST, the following details:

In order for an application under the Open Offer to be valid, the USE Instruction must comply with the requirements as to authentication and contents set out above and must settle on or before 11.00 a.m. on 9 December 2015. In order to assist prompt settlement of the USE Instruction, CREST members (or their sponsors, where applicable) may consider adding the following non-mandatory fields to the USE Instruction:

- (i) a contact name and telephone number (in the free format shared note field); and
- (ii) a priority of at least 80.

CREST members and, in the case of CREST sponsored members, their CREST sponsors, should note that the last time at which a USE Instruction may settle on 9 December 2015 in order to be valid is 11.00 a.m. on that day.

(e) Content of USE Instruction in respect of Excess CREST Open Offer Entitlements

The USE Instruction must be properly authenticated in accordance with Euroclear's specifications and must contain, in addition to the other information that is required for settlement in CREST, the following details:

- (i) the number of Excess Shares for which application is being made (and hence being delivered to Capita Asset Services);
- (ii) the ISIN of the Excess CREST Open Offer Entitlement. This is JE00BYNH2G52;

- (iii) the CREST participant ID of the accepting CREST member;
- (iv) the CREST member account ID of the accepting CREST member from which the Excess CREST Open Offer Entitlements are to be debited;
- (v) the participant ID of Capita Asset Services in its capacity as a CREST receiving agent. This is 7RA33;
- (vi) the member account ID of Capita Asset Services in its capacity as a CREST receiving agent. This is 28683WES;
- (vii) the amount payable by means of a CREST payment on settlement of the USE Instruction. This must be the full amount payable on application for the number of Open Offer Shares referred to in (i) above;

- (ix) the Corporate Action Number for the Open Offer. This will be available by viewing the relevant corporate action details in CREST.

In order for an application in respect of an Excess CREST Open Offer Entitlement under the Open Offer to be valid, the USE Instruction must comply with the requirements as to authentication and contents set out above and must settle on or before 11.00 a.m. on 9 December 2015.

In order to assist prompt settlement of the USE Instruction, CREST members (or their sponsors, where applicable) may consider adding the following non-mandatory fields to the USE Instruction:

- (i) a contract name and telephone number (in the free format shared note field); and
- (ii) a priority of at least 80.

CREST members and, in the case of CREST sponsored members, their CREST sponsors, should note that the last time at which a USE Instruction may settle on 9 December 2015 in order to be valid is 11.00 a.m. on that day.

(f) Deposit of Open Offer Entitlements into, and withdrawal from, CREST

A Qualifying non-CREST Shareholder's entitlement under the Open Offer as shown by the number of Open Offer Entitlements set out in his Application Form may be deposited into CREST (either into the account of the Qualifying Shareholder named in the Application Form or into the name of a person entitled by virtue of a *bona fide* market claim), provided that such Qualifying non-CREST Shareholder is also a CREST member. Similarly, Open Offer Entitlements and Excess CREST Open Offer Entitlements held in CREST may be withdrawn from CREST so that the entitlement under the Open Offer and entitlement to apply under the Excess Application Facility is reflected in an Application Form. Normal CREST procedures (including timings) apply in relation to any such deposit or withdrawal, subject (in the case of a deposit into CREST) as set out in the Application Form.

A holder of an Application Form who is proposing to deposit the entitlement set out in such form into CREST is recommended to ensure that the deposit procedures are implemented in sufficient time to enable the person holding or acquiring the Open Offer Entitlements and the entitlement to apply under the Excess Application Facility following their deposit into CREST to take all necessary steps in connection with taking up the entitlement prior to 11.00 a.m. on 9 December 2015. After depositing their Open Offer Entitlement into their CREST account, CREST holders will shortly thereafter receive a credit for their Open Offer Entitlement and Excess CREST Open Offer Entitlement, which will be managed by Capita Asset Services.

In particular, having regard to normal processing times in CREST and on the part of Capita Asset Services, the recommended latest time for depositing an Application Form with the CREST Courier and Sorting Service, where the person entitled wishes to hold the entitlement under the Open Offer set out in such Application Form as Open Offer Entitlements and Excess CREST Open Offer Entitlements in

CREST, is 3.00 p.m. on 4 December 2015 and the recommended latest time for receipt by Euroclear of a dematerialised instruction requesting withdrawal of Open Offer Entitlements and Excess CREST Open Offer Entitlements from CREST is 4.30 p.m. on 3 December 2015 in either case so as to enable the person acquiring or (as appropriate) holding the Open Offer Entitlements and the entitlement to apply under the Excess Application Facility following the deposit or withdrawal (whether as shown in an Application Form or held in CREST) to take all necessary steps in connection with applying in respect of the Open Offer Entitlements and the entitlement to apply under the Excess Application Facility, as the case may be, prior to 11.00 a.m. on 9 December 2015.

Delivery of an Application Form with the CREST deposit form duly completed whether in respect of a deposit into the account of the Qualifying Shareholder named in the Application Form or into the name of another person, shall constitute a representation and warranty to the Company and Capita Asset Services by the relevant CREST member(s) that it/they is/ are not in breach of the provisions of the notes under the paragraph headed “Instructions for depositing entitlements under the Open Offer into CREST” on page 3 of the Application Form, and a declaration to the Company and Capita Asset Services from the relevant CREST member(s) that it/they is/are not in the United States or citizen(s) or resident(s) of any other Restricted Jurisdiction or any other jurisdiction in which the application for new Ordinary Shares is prevented by law and, where such deposit is made by a beneficiary of a market claim, a representation and warranty that the relevant CREST member(s) is/are entitled to apply under the Open Offer by virtue of a *bona fide* market claim.

(g) Validity of application

A USE instruction complying with the requirements as to authentication and contents set out above which settles by no later than 11.00 a.m. on 9 December 2015 will constitute a valid application under the Open Offer.

(h) CREST procedures and timings

CREST members and (where applicable) their CREST sponsors should note that Euroclear does not make available special procedures in CREST for any particular corporate action. Normal system timings and limitations will therefore apply in relation to the input of a USE instruction and its settlement in connection with the Open Offer. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST sponsored member, to procure that his CREST sponsor takes) such action as shall be necessary to ensure that a valid application is made as stated above by 11.00 a.m. on 9 December 2015. In this connection CREST members and (where applicable) their CREST sponsors are referred in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

If a Qualifying CREST Shareholder does not wish to apply for the Open Offer Shares under the Open Offer, they should take no action.

(i) Incorrect or incomplete applications

If a USE instruction includes a CREST payment for an incorrect sum, the Company, through Capita Asset Services, reserves the right:

- (i) to reject the application in full and refund the payment to the CREST member in question (without interest);
- (ii) in the case that an insufficient sum is paid, to treat the application as a valid application for such lesser whole number of Open Offer Shares as would be able to be applied for with that payment at the Issue Price, refunding any unutilised sum to the CREST member in question (without interest), save that any sums of less than £2 will be retained for the benefit of the Company; and
- (iii) in the case that an excess sum is paid, to treat the application as a valid application for all the Open Offer Shares referred to in the USE instruction, refunding any unutilised sum to the CREST member in question (without interest), save that any sums of less than £2 will be retained for the benefit of the Company.

(j) *The Excess Application Facility*

The Excess Application Facility enables Qualifying CREST Shareholders, who have taken up their Open Offer Entitlement in full, to apply for Excess Shares in excess of their Open Offer Entitlement as at the Record Date. For the avoidance of doubt, Shareholders with no Open Offer Entitlement (by virtue of their owning fewer than 2,500 Existing Ordinary Shares) but excluding any Overseas Shareholder who has a registered address in the United States of America or any other Restricted Jurisdiction, may still apply for such number of Excess Shares under the Excess Application Facility as will increase their aggregate holding of Ordinary Shares in the Company to at least 5,000 Ordinary Shares in the Company.

If applications under the Excess Application Facility are received for more than the total number of Open Offer Shares available following take up of Open Offer Entitlements, the Excess Shares may be allocated in such manner as the Directors may determine in their absolute discretion and no assurance can be given that excess applications by Qualifying Shareholders will be met in full or in part or at all. Excess CREST Open Offer Entitlements may not be sold or otherwise transferred. Subject as provided in paragraph 8 of this Part 3 in relation to Overseas Shareholders, the CREST accounts of Qualifying CREST Shareholders will be credited with Excess CREST Open Offer Entitlements to enable applications for Excess Shares to be settled through CREST. Qualifying CREST Shareholders should note that, although the Open Offer Entitlement and the Excess CREST Open Offer Entitlements will be admitted to CREST, they will have limited settlement capabilities. Neither the Open Offer Entitlement nor the Excess CREST Open Offer Entitlements will be tradable or listed and applications in respect of the Open Offer may only be made by the Qualifying Shareholders originally entitled or by a person entitled by virtue of a *bona fide* market claim.

To apply for Excess Shares pursuant to the Open Offer, Qualifying CREST Shareholders should follow the instructions above and must not return a paper form and cheque.

Should a transaction be identified by the CREST Claims Processing Unit as “cum” the Open Offer Entitlement and the relevant Open Offer Entitlement(s) be transferred, the Excess CREST Open Offer Entitlements will not transfer with the Open Offer Entitlement(s) claim, but will be transferred as a separate claim. Should a Qualifying CREST Shareholder cease to hold all of his Existing Ordinary Shares as a result of one or more *bona fide* market claims, the Excess CREST Open Offer Entitlement credited to CREST and allocated to the relevant Qualifying Shareholder will be transferred to the purchaser. Please note that an additional USE Instruction must be sent in respect of any application under the Excess CREST Open Offer Entitlement.

Should applications for Open Offer Shares by Qualifying Shareholders under the Open Offer exceed the total number of Open Offer Shares available pursuant to the Open Offer resulting in a scale back of applications under the Excess Application Facility, each Qualifying CREST Shareholder who has made a valid application pursuant to his Excess CREST Open Offer Entitlement and from whom payment in full for the Excess Shares has been received, will receive a pounds sterling amount equal to the number of Open Offer Shares validly applied and paid for but which are not allocated to the relevant Qualifying CREST Shareholder multiplied by the Issue Price. Monies will be returned as soon as reasonably practicable following the completion of the scale back, without payment of interest and at the applicant’s sole risk by way of cheque or CREST payment, as appropriate.

Fractions of Open Offer Shares will be aggregated and made available under the Excess Application Facility.

Should you have any enquiries in connection with the procedure for applications under the Excess Application Facility and your Excess CREST Open Offer Entitlement, please contact Capita Asset Services on 0371 664 0321 from within the UK or on + 44 20 8639 3399 if calling from outside the UK. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. We are open between 9.00 a.m. – 5.30 p.m., Monday to Friday excluding public holidays in England and Wales. Different charges may apply to calls from mobile telephones and calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of the Proposals nor give any financial, legal or tax advice.

(k) *Effect of valid application*

A CREST member who makes or is treated as making a valid application for some or all of his *pro rata* entitlement to the Open Offer Shares in accordance with the above procedures thereby:

- (i) represents and warrants to the Company and Cenkos Securities that he has the right, power and authority, and has taken all action necessary, to make the application under the Open Offer and to execute, deliver and exercise his rights, and perform his obligations, under any contracts resulting therefrom and that he is not a person otherwise prevented by legal or regulatory restrictions from applying for Open Offer Shares or acting on behalf of any such person on a non-discretionary basis;
- (ii) agrees to pay the amount payable on application in accordance with the above procedures by means of a CREST payment in accordance with the CREST payment arrangements (it being acknowledged that the payment to Capita Asset Services' payment bank in accordance with the CREST payment arrangements shall, to the extent of the payment, discharge in full the obligation of the CREST member to pay to the Company the amount payable on application);
- (iii) agrees with the Company and Cenkos Securities that all applications under the Open Offer and contracts resulting therefrom, and any non-contractual obligations related thereto, shall be governed by, and construed in accordance with, the laws of England;
- (iv) confirms to the Company and Cenkos Securities that in making the application he is not relying on any information or representation in relation to the Company other than that contained in this document, and the applicant accordingly agrees that no person responsible solely or jointly for this document or any part thereof, or involved in the preparation thereof, shall have any liability for any such information or representation not so contained and further agrees that, having had the opportunity to read this document, he will be deemed to have had notice of all the information in relation to the Company contained in this document (including information incorporated by reference);
- (v) represents and warrants that he is the Qualifying Shareholder originally entitled to the Open Offer Entitlement;
- (vi) represents and warrants to the Company and Cenkos Securities that if he has received some or all of his Open Offer Entitlement from a person other than the Company, he is entitled to apply under the Open Offer in relation to such Open Offer Entitlement by virtue of a *bona fide* market claim;
- (vii) requests that the new Ordinary Shares to which he will become entitled, be issued to him on the terms set out in this document, subject to the memorandum of association and articles of association of the Company from time to time;
- (viii) represents and warrants to the Company and Cenkos Securities that he is not in, nor is he applying on behalf of any person who is in, the United States, or is a citizen or resident, or which is a corporation, partnership or other entity created or organised in or under any laws, of any Restricted Jurisdiction or any other jurisdiction in which the application for Open Offer Shares is prevented by law and he is not applying with a view to re-offering, re-selling, transferring or delivering any of the Open Offer Shares which are the subject of his application in the United States or to, or for the benefit of, a person who is a citizen or resident of, or which is a corporation, partnership or other entity created or organised in or under any laws of any other Restricted Jurisdiction or any other jurisdiction in which the application for Open Offer Shares is prevented by law (except where proof satisfactory to the Company has been provided to the Company that it may accept the application free of any requirement which it (in its absolute discretion) regards as unduly burdensome), nor acting on behalf of any such person on a non-discretionary basis nor (a) person(s) otherwise prevented by legal or regulatory restrictions from applying for Open Offer Shares under the Open Offer;

- (ix) represents and warrants that he is not, and nor is he applying as nominee or agent for, a person who is or may be liable to notify and account for tax under the Stamp Duty Reserve Tax Regulations 1986 at any of the increased rates referred to in sections 67, 70, 93 or 96 (depository receipts and clearance services) of the Finance Act 1986; and
- (x) confirms that in making the application he is not relying and has not relied on the Company or Cenkos Securities or any person affiliated with the Company or Cenkos Securities in connection with any investigation of the accuracy of any information contained in this document or his investment decision.

(l) Company's discretion as to the rejection and validity of applications

The Company may in its sole discretion:

- (i) treat as valid (and binding on the CREST member concerned) an application which does not comply in all respects with the requirements as to validity set out or referred to in this Part 3;
- (ii) accept an alternative properly authenticated dematerialised instruction from a CREST member or (where applicable) a CREST sponsor as constituting a valid application in substitution for or in addition to a USE instruction and subject to such further terms and conditions as the Company may determine;
- (iii) treat a properly authenticated dematerialised instruction (in this sub-paragraph the "first instruction") as not constituting a valid application if, at the time at which Capita Asset Services receives a properly authenticated dematerialised instruction giving details of the first instruction or thereafter, either the Company or Capita Asset Services has received actual notice from Euroclear of any of the matters specified in Regulation 35(5)(a) of the CREST Regulations in relation to the first instruction. These matters include notice that any information contained in the first instruction was incorrect or notice of lack of authority to send the first instruction; and
- (iv) accept an alternative instruction or notification from a CREST member or CREST sponsored member or (where applicable) a CREST sponsor, or extend the time for settlement of a USE instruction or any alternative instruction or notification, in the event that, for reasons or due to circumstances outside the control of any CREST member or CREST sponsored member or (where applicable) CREST sponsor, the CREST member or CREST sponsored member is unable validly to apply for Open Offer Shares by means of the above procedures. In normal circumstances, this discretion is only likely to be exercised in the event of any interruption, failure or breakdown of CREST (or any part of CREST) or on the part of the facilities and/or systems operated by Capita Asset Services in connection with CREST.

6. Money Laundering Regulations

6.1. Holders of Application Forms

To ensure compliance with the Money Laundering Regulations, Capita Asset Services may require, at its absolute discretion, verification of the identity of the person by whom or on whose behalf the Application Form is lodged with payment (which requirements are referred to below as the "verification of identity requirements"). If the Application Form is submitted by a UK regulated broker or intermediary acting as agent and which is itself subject to the Money Laundering Regulations, any verification of identity requirements are the responsibility of such broker or intermediary and not of Capita Asset Services. In such case, the lodging agent's stamp should be inserted on the Application Form.

The person lodging the Application Form with payment and in accordance with the other terms as described above (the "acceptor"), including any person who appears to Capita Asset Services to be acting on behalf of some other person or for whom the acceptor is acting, accepts the Open Offer in respect of such number of Open Offer Shares as is referred to therein (for the purposes of this paragraph 6 the "relevant Open Offer Shares") and shall thereby be deemed to agree to provide Capita Asset

Services with such information and other evidence as they may require to satisfy the verification of identity requirements.

If Capita Asset Services determines that the verification of identity requirements apply to any acceptor or application, the relevant Open Offer Shares (notwithstanding any other term of the Open Offer) will not be issued to the relevant acceptor unless and until the verification of identity requirements have been satisfied in respect of that acceptor or application. Capita Asset Services is entitled, in its absolute discretion, to determine whether the verification of identity requirements apply to any acceptor or application and whether such requirements have been satisfied, and neither Capita Asset Services nor the Company will be liable to any person for any loss or damage suffered or incurred (or alleged), directly or indirectly, as a result of the exercise of such discretion.

If the verification of identity requirements apply, failure to provide the necessary evidence of identity within a reasonable time may result in delays in the despatch of share certificates or in crediting CREST accounts. If, within a reasonable time following a request for verification of identity, Capita Asset Services has not received evidence satisfactory to it as aforesaid, the Company may, in its absolute discretion, treat the relevant application as invalid, in which event the monies payable on acceptance of the Open Offer will be returned (at the acceptor's risk) without interest to the account of the bank or building society on which the relevant cheque or banker's draft was drawn.

Submission of an Application Form with the appropriate remittance will constitute a warranty to each of the Company, Capita Asset Services, and Cenkos Securities from the applicant that the Money Laundering Regulations will not be breached by application of such remittance.

The verification of identity requirements will not usually apply:

- (i) if the applicant is an organisation required to comply with the Money Laundering Directive (the Council Directive on prevention of the use of the financial system for the purpose of money laundering (no.91/308/EEC));
- (ii) if the acceptor is a regulated United Kingdom broker or intermediary acting as agent and is itself subject to the Money Laundering Regulations;
- (iii) if the applicant (not being an applicant who delivers his application in person) makes payment by way of a cheque drawn on an account in the applicant's name; or
- (iv) if the aggregate subscription price for the Open Offer Shares is less than €15,000 (approximately £10,518 as at 19 November 2015, the latest practicable date before the publication of this document).

In other cases the verification of identity requirements may apply. Satisfaction of these requirements may be facilitated in the following ways:

- (i) if payment is made by cheque or banker's draft in sterling drawn on a branch in the United Kingdom of a bank or building society which bears a UK bank sort code number in the top right hand corner the following applies. Cheques, should be made payable to "Capita Registrars Limited re: Westmount Energy Limited Open Offer A/C" in respect of an application by a Qualifying Shareholder and crossed "A/C Payee Only". Third party cheques will not be accepted with the exception of building society cheques or banker's drafts where the building society or bank has confirmed the name of the account holder by stamping or endorsing the back of the cheque/banker's draft to such effect. The account name should be the same as that shown on the Application Form; or
- (ii) if the Application Form is lodged with payment by an agent which is an organisation of the kind referred to in (i) above or which is subject to anti-money laundering regulation in a country which is a member of the Financial Action Task Force, the agent should provide with the Application Form written confirmation that it has that status and a written assurance that it has obtained and recorded evidence of the identity of the person for whom it acts and that it will on demand make

such evidence available to Capita Asset Services. If the agent is not such an organisation, it should contact Capita Asset Services at Corporate Actions, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU.

If you have any questions relating to this document and the completion of and return of the Application Form, please contact Capita Asset Services on 0371 664 0321 from within the UK or on + 44 20 8639 3399 if calling from outside the UK. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. We are open between 9.00 a.m. – 5.30 p.m., Monday to Friday excluding public holidays in England and Wales. Different charges may apply to calls from mobile telephones and calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of the Proposals nor give any financial, legal or tax advice.

If the Application Form(s) is/are in respect of Open Offer Shares with an aggregate subscription price of €15,000 (approximately £10,518 as at 19 November 2015, the latest practicable date before the publication of this document) or more and is/are lodged by hand by the acceptor in person, or if the Application Form(s) in respect of Open Offer Shares is/are lodged by hand by the acceptor and the accompanying payment is not the acceptor's own cheque, he should ensure that he has with him evidence of identity bearing his photograph (for example, his passport) and separate evidence of his address.

If, within a reasonable period of time following a request for verification of identity, and in any case by no later than 11.00 a.m. on 9 December 2015, Capita Asset Services has not received evidence satisfactory to it as aforesaid, Capita Asset Services may, at its discretion, as agent of the Company, reject the relevant application, in which event the monies submitted in respect of that application will be returned without interest to the account at the payee bank from which such monies were originally debited (without prejudice to the rights of the Company to undertake proceedings to recover monies in respect of the loss suffered by it as a result of the failure to produce satisfactory evidence as aforesaid).

6.2. Open Offer Entitlements in CREST

If you hold your Open Offer Entitlement and Excess CREST Open Offer Entitlement in CREST and apply for Open Offer Shares in respect of some or all of your Open Offer Entitlement and Excess CREST Open Offer Entitlement as agent for one or more persons and you are not a UK or EU regulated person or institution (e.g. a UK financial institution), then, irrespective of the value of the application, Capita Asset Services is obliged to take reasonable measures to establish the identity of the person or persons on whose behalf you are making the application. You must therefore contact Capita Asset Services before sending any USE or other instruction so that appropriate measures may be taken.

Submission of a USE instruction which on its settlement constitutes a valid application as described above constitutes a warranty and undertaking by the applicant to provide promptly to Capita Asset Services such information as may be specified by Capita Asset Services as being required for the purposes of the Money Laundering Regulations. Pending the provision of evidence satisfactory to Capita Asset Services as to identity, Capita Asset Services may in its absolute discretion take, or omit to take, such action as it may determine to prevent or delay issue of the Open Offer Shares concerned. If satisfactory evidence of identity has not been provided within a reasonable time, then the application for the Open Offer Shares represented by the USE instruction will not be valid. This is without prejudice to the right of the Company to take proceedings to recover any loss suffered by it as a result of failure to provide satisfactory evidence.

7. Admission, settlement and dealings

The result of the Open Offer is expected to be announced on 11 December 2015. Applications will be made to the London Stock Exchange for the Open Offer Shares to be admitted to trading on AIM. It is expected that Admission will become effective and that dealings in the Open Offer Shares, fully paid, will commence at 8.00 a.m. on 14 December 2015.

The Existing Ordinary Shares are already admitted to CREST. No further application for admission to CREST is accordingly required for the new Ordinary Shares issued pursuant to the Open Offer. All such shares, when issued and fully paid, may be held and transferred by means of CREST.

Open Offer Entitlements and Excess CREST Open Offer Entitlements held in CREST are expected to be disabled in all respects after 11.00 a.m. on 9 December 2015 (the latest date for applications under the Open Offer). Open Offer Shares will be issued in uncertificated form to those persons who submitted a valid application for Open Offer Shares by utilising the CREST application procedures and whose applications have been accepted by the Company.

It is intended that on 14 December 2015, Capita Asset Services will instruct Euroclear to credit the appropriate stock accounts of such persons with such persons' entitlements to Open Offer Shares with effect from Admission. The stock accounts to be credited will be accounts under the same CREST participant IDs and CREST member account IDs in respect of which the USE Instruction was given. Notwithstanding any other provision of this document, the Company reserves the right to send Qualifying CREST Shareholders an Application Form instead of crediting the relevant stock account with Open Offer Entitlements and Excess CREST Open Offer Entitlements, and to allot and/or issue any Open Offer Shares in certificated form. In normal circumstances, this right is only likely to be exercised in the event of any interruption, failure or breakdown of CREST (or of any part of CREST) or on the part of the facilities and/or systems operated by Capita Asset Services in connection with CREST.

No temporary documents of title will be issued and transfers will be certified against the UK share register of the Company. All documents or remittances sent by, to, from or on behalf of applicants, or as they may direct, will (in the latter case) be sent through the post and will (in both cases) be at the risk of the applicant. For more information as to the procedure for application, Qualifying non-CREST Shareholders are referred to paragraph 5.2 above and their respective Application Form.

8. Overseas Shareholders

The comments set out in this paragraph 8 are intended as a general guide only and any Overseas Shareholders who are in any doubt as to their position should consult their professional advisers without delay.

8.1. General

The distribution of this document and the making or acceptance of the Open Offer to or by persons who have registered addresses in, or who are resident or ordinarily resident in, or citizens of, or which are corporations, partnerships or other entities created or organised under the laws of countries other than the United Kingdom or to persons who are nominees of or custodians, trustees or guardians for citizens, residents in or nationals of, countries other than the United Kingdom, may be affected by the laws or regulatory requirements of the relevant jurisdictions. It is the responsibility of those persons to consult their professional advisers as to whether they require any governmental or other consents or need to observe any applicable legal requirement or other formalities to enable them to apply for Open Offer Shares under the Open Offer.

No action has been or will be taken by the Company, Cenkos Securities, or any other person, to permit a public offering or distribution of this document (or any other offering or publicity materials or application form(s) relating to the Open Offer Shares) in any jurisdiction where action for that purpose may be required. Receipt of this document and/or an Application Form and/or a credit of an Open Offer Entitlement or an Excess CREST Open Offer Entitlement to a stock account in CREST will not constitute an invitation or offer of securities for subscription, sale or purchase in any jurisdictions in which it would be illegal to make such an invitation or offer and, in those circumstances, this document and/or the Application Form must be treated as sent for information only and should not be copied or redistributed.

Application Forms will not be sent to, and Open Offer Entitlements and Excess CREST Open Offer Entitlements will not be credited to stock accounts in CREST of, persons with registered addresses in the United States or any other Restricted Jurisdiction or their agent or intermediary, except where the Company is satisfied that such action would not result in the contravention of any registration or other legal requirement in any jurisdiction.

No person receiving a copy of this document and/or an Application Form and/or a credit of Open Offer Entitlements or Excess CREST Open Offer Entitlements to a stock account in CREST in any territory other than the United Kingdom may treat the same as constituting an invitation or offer to him, nor should he in any event use any such Application Form and/or credit of Open Offer Entitlements or Excess CREST Open Offer Entitlements to a stock account in CREST unless, in the relevant territory, such an invitation or offer could lawfully be made to him and such Application Form and/or credit of Open Offer Entitlements or Excess CREST Open Offer Entitlements to a stock account in CREST could lawfully be used and/or made (as the case may be), and any transaction resulting from such use and/or credit could be effected, without contravention of any registration or other legal or regulatory requirements. In circumstances where an invitation or Open Offer would contravene any registration or other legal or regulatory requirements, this document and/or the Application Form must be treated as sent for information only and should not be copied or redistributed.

It is the responsibility of any person (including, without limitation, custodians, agents, nominees and trustees) outside the United Kingdom wishing to apply for Open Offer Shares under the Open Offer to satisfy themselves as to the full observance of the laws of any relevant territory in connection therewith, including obtaining any governmental or other consents that may be required, observing any other formalities required to be observed in such territory and paying any issue, transfer or other taxes due in such territory.

None of the Company, Cenkos Securities, nor any of their respective representatives, is making any representation to any offeree or purchaser of the Open Offer Shares regarding the legality of an investment in the Open Offer Shares by such offeree or purchaser under the laws applicable to such offeree or purchaser.

Persons (including, without limitation, custodians, agents, nominees and trustees) receiving a copy of this document and/or an Application Form and/or a credit of Open Offer Entitlements or Excess CREST Open Offer Entitlements to a stock account in CREST, in connection with the Open Offer or otherwise, should not distribute or send either of those documents nor transfer Open Offer Entitlements or Excess CREST Open Offer Entitlements in or into any jurisdiction where to do so would or might contravene local securities laws or regulations. If a copy of this document and/or an Application Form and/or a credit of Open Offer Entitlements or Excess CREST Open Offer Entitlements to a stock account in CREST is received by any person in any such territory, or by his custodian, agent, nominee or trustee, he must not seek to apply for Open Offer Shares in respect of the Open Offer unless the Company and Cenkos Securities determine that such action would not violate applicable legal or regulatory requirements. Any person (including, without limitation, custodians, agents, nominees and trustees) who does forward a copy of this document and/or an Application Form and/or transfers Open Offer Entitlements or Excess CREST Open Offer Entitlements into any such territory, whether pursuant to a contractual or legal obligation or otherwise, should draw the attention of the recipient to the contents of this Part 3 and specifically the contents of this paragraph 8.

The Company reserves the right to treat as invalid any application or purported application for Open Offer Shares that appears to the Company or its agents to have been executed, effected or dispatched from the United States or any other Restricted Jurisdiction or in a manner that may involve a breach of the laws or regulations of any other jurisdiction or if the Company or its agents believe that the same may violate applicable legal or regulatory requirements or if it provides an address for delivery of the share certificates of Open Offer Shares or in the case of a credit of Open Offer Entitlements or Excess CREST Open Offer Entitlements to a stock account in CREST, to a CREST member whose registered address would be, in the United States or any other Restricted Jurisdiction or any other jurisdiction

outside the United Kingdom in which it would be unlawful to deliver such share certificates or make such a credit.

Notwithstanding any other provision of this document or the Application Form, the Company and Cenkos Securities reserve the right to permit any person to apply for Open Offer Shares in respect of the Open Offer if the Company, in its sole and absolute discretion, is satisfied that the transaction in question is exempt from, or not subject to, the legislation or regulations giving rise to the restrictions in question.

Overseas Shareholders who wish, and are permitted, to apply for Open Offer Shares should note that payment must be made in sterling denominated cheques or banker's drafts or where such Overseas Shareholder is a Qualifying CREST Shareholder, through CREST. Due to restrictions under the securities laws of the United States and the other Restricted Jurisdictions, and subject to certain exceptions, Qualifying Shareholders in the United States or who have registered addresses in, or who are resident or ordinarily resident in, or citizens of, any other Restricted Jurisdiction will not qualify to participate in the Open Offer and will not be sent an Application Form nor will their stock accounts in CREST be credited with Open Offer Entitlements. No public offer of Open Offer Shares is being made by virtue of this document or the Application Forms into the United States or any other Restricted Jurisdiction. Receipt of this document and/or an Application Form and/or a credit of an Open Offer Entitlement to a stock account in CREST will not constitute an invitation or offer of securities for subscription, sale or purchase in those jurisdictions in which it would be illegal to make such an invitation or offer and, in those circumstances, this document and/or the Application Form must be treated as sent for information only and should not be copied or redistributed.

8.2. *United States*

The new Ordinary Shares to be issued pursuant to the Open Offer have not been and will not be registered under the Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States and, accordingly, may not be offered or sold, re-sold, taken up, transferred, delivered or distributed, directly or indirectly, within the United States except in reliance on an exemption from the registration requirements of the Securities Act and in compliance with any applicable securities laws of any state or other jurisdiction of the United States.

Accordingly, the Company is not making or extending the Open Offer into the United States unless an exemption from the registration requirements of the US Securities Act is available and, subject to certain exceptions, neither this document nor the Application Form constitutes or will constitute an offer or an invitation to apply for or an offer or an invitation to acquire any new Ordinary Shares in the United States. Subject to certain exceptions, neither this document nor an Application Form will be sent to, and no new Ordinary Shares will be credited to a stock account in CREST of, any Qualifying Shareholder with a registered address in the United States. Subject to certain exceptions, Application Forms sent from or postmarked in the United States will be deemed to be invalid and all persons acquiring new Ordinary Shares and wishing to hold such new Ordinary Shares in registered form must provide an address for registration of the new Ordinary Shares issued upon exercise thereof outside the United States.

Subject to certain exceptions, any person who acquires new Ordinary Shares pursuant to the Open Offer will be deemed to have declared, warranted and agreed, by accepting delivery of this document or the Application Form and delivery of the new Ordinary Shares, that they are not, and that at the time of acquiring the new Ordinary Shares they will not be, in the United States or acting on behalf of, or for the account or benefit of a person on a non-discretionary basis in the United States or any state of the United States.

The Company reserves the right to treat as invalid any Application Form that appears to the Company or its agents to have been executed in, or despatched from, the United States, or that provides an address in the United States for the receipt of new Ordinary Shares, or which does not make the warranty set out in the Application Form to the effect that the person completing the Application Form does not have

a registered address and is not otherwise located in the United States and is not acquiring the new Ordinary Shares with a view to the offer, sale, resale, transfer, delivery or distribution, directly or indirectly, of any such new Ordinary Shares in the United States or where the Company believes acceptance of such Application Form may infringe applicable legal or regulatory requirements.

The Company will not be bound to allot or issue any new Ordinary Shares to any person with an address in, or who is otherwise located in, the United States in whose favour an Application Form or any new Ordinary Shares may be transferred. In addition, the Company and Cenkos Securities reserve the right to reject any USE instruction sent by or on behalf of any CREST member with a registered address in the United States in respect of the new Ordinary Shares. In addition, until 45 days after the commencement of the Open Offer, an offer, sale or transfer of the new Ordinary Shares within the United States by a dealer (whether or not participating in the and Open Offer) may violate the registration requirements of the US Securities Act.

8.3. Other Restricted Jurisdictions

Due to restrictions under the securities laws of the other Restricted Jurisdictions and subject to certain exemptions, Shareholders who have registered addresses in, or who are resident or ordinarily resident in, or citizens of, any other Restricted Jurisdiction will not qualify to participate in the Open Offer and will not be sent an Application Form nor will their stock accounts in CREST be credited with Open Offer Entitlements or Excess CREST Open Offer Entitlements. The Open Offer Shares have not been and will not be registered under the relevant laws of any Restricted Jurisdiction or any state, province or territory thereof and may not be offered, sold, resold, delivered or distributed, directly or indirectly, in or into any Restricted Jurisdiction or to, or for the account or benefit of, any person with a registered address in, or who is resident or ordinarily resident in, or a citizen of, any Restricted Jurisdiction except pursuant to an applicable exemption.

No Open Offer or invitation to apply for Open Offer Shares is being made by virtue of this document or the Application Forms into any Restricted Jurisdiction.

8.4. Other overseas territories which are not Restricted Jurisdictions

Application Forms will be sent to Qualifying non-CREST Shareholders and Open Offer Entitlements and Excess CREST Open Offer Entitlements will be credited to the stock account in CREST of Qualifying CREST Shareholders who have registered addresses in, or who are resident or ordinarily resident in, or citizens of, overseas territories which are not or are not considered to be a Restricted Jurisdiction. Qualifying Shareholders in jurisdictions other than the United States or another Restricted Jurisdiction may, subject to the laws of their relevant jurisdiction, apply for Open Offer Shares under the Open Offer in accordance with the instructions set out in this document and the Application Form. Qualifying Shareholders who have registered addresses in, or who are resident or ordinarily resident in, or citizens of, countries other than the United Kingdom should, however, consult appropriate professional advisers as to whether they require any governmental or other consents or need to observe any further formalities to enable them to apply for any Open Offer Shares in respect of the Open Offer.

8.5. Representations and warranties relating to Overseas Shareholders

(a) Qualifying non-CREST Shareholders

Any person completing and returning an Application Form or requesting registration of the Open Offer Shares comprised therein represents and warrants to the Company, and Cenkos Securities and Capita Asset Services that, except where proof has been provided to the Company's satisfaction that such person's use of the Application Form will not result in the contravention of any applicable legal requirements in any jurisdiction:

- (i) such person is not requesting registration of the relevant Open Offer Shares from within the United States or any other Restricted Jurisdiction;

- (ii) such person is not in any territory in which it is unlawful to make or accept an Open Offer to acquire Open Offer Shares in respect of the Open Offer or to use the Application Form in any manner in which such person has used or will use it;

- (iv) such person is not acquiring Open Offer Shares with a view to offering, selling, reselling, transferring, delivering or distributing, directly or indirectly, any such Open Offer Shares into any of the above territories.

The Company and/ or Capita Asset Services may treat as invalid any application for or an acceptance or purported acceptance of the allocation of Open Offer Shares comprised in an Application Form if it:

- (i) appears to the Company or its agents to have been executed, effected or dispatched from the United States or another Restricted Jurisdiction or in a manner that may involve a breach of the laws or regulations of any jurisdiction or if the Company or its agents believe that the same may violate applicable legal or regulatory requirements; or
- (ii) specifies an address in the United States or another Restricted Jurisdiction for delivery of the share certificates of Open Offer Shares (or any other jurisdiction outside the United Kingdom in which it would be unlawful to deliver such share certificates); or
- (iii) purports to exclude the warranty required by this sub-paragraph (a).

(b) Qualifying CREST Shareholders

A CREST member or CREST sponsored member who makes a valid application, acceptance or acquisition in accordance with the procedures set out in this Part 3 represents and warrants to the Company that, except where proof has been provided to the Company's satisfaction that such person's application, acceptance or acquisition will not result in the contravention of any applicable legal requirement in any jurisdiction:

- (i) he is not within the United States or any other Restricted Jurisdiction;
- (ii) he is not in any territory in which it is unlawful to make or accept an offer to acquire Open Offer Shares;
- (iii) he is not applying for, accepting or acquiring Open Offer Shares on a non-discretionary basis for a person located within any Restricted Jurisdiction (except as otherwise agreed with the Company) or any territory referred to in (ii) above at the time the instruction to apply, accept or acquire was given; and
- (iv) he is not acquiring any Open Offer Shares with a view to offering, selling, re-selling, transferring, delivering or distributing, directly or indirectly, any such Open Offer Shares into any of the above territories.

8.6. Waiver

The provisions of this paragraph 8 and of any other terms of the Open Offer relating to Overseas Shareholders may be waived, varied or modified as regards specific Shareholders or on a general basis by the Company and Cenkos Securities in their absolute discretion. Subject to this, the provisions of this paragraph 8 supersede any terms of the Open Offer inconsistent herewith. References in this paragraph 8 to Shareholders shall include references to the person or persons executing an Application Form and, in the event of more than one person executing an Application Form, the provisions of this paragraph 8 shall apply to them jointly and to each of them.

9. Times and dates

The Company shall, in agreement within Cenkos Securities and after consultation with its financial and legal advisers, be entitled to amend the dates that Application Forms are despatched or amend or extend the latest date for application or acceptance under the Open Offer and all related dates set out in this document and in such circumstances shall notify the London Stock Exchange and make an announcement on a Regulatory Information Service but Qualifying Shareholders may not receive any further written communication.

If a supplementary circular is issued by the Company two or fewer working days prior to the latest time and date for application, acceptance and payment in full under the Open Offer specified in this document, the latest date for application and acceptance under the Open Offer shall be extended to the date that is at least three working days after the date of issue of the supplementary circular (and the dates and times of principal events due to take place following such date shall be extended accordingly).

10. Taxation

Shareholders who are in any doubt as to their tax position in relation to taking up their entitlements under the Open Offer, or who are subject to tax in any jurisdiction other than the United Kingdom, should immediately consult a suitable professional adviser.

11. Further information

Your attention is drawn to the further information set out in this document and also, in the case of Qualifying non-CREST Shareholders and other Qualifying Shareholders to whom the Company has sent Application Forms, to the terms, conditions and other information printed on the accompanying Application Form.

The questions and answers set out in this Part 4 are intended to be in general terms only and, as such, you should read Part of this document for full details of what action to take. If you are in any doubt as to the action you should take, you are recommended to seek your own personal financial advice immediately from your stockbroker, bank, fund manager, solicitor, accountant or other appropriate independent financial adviser, who is authorised under the FSMA if you are in the United Kingdom, or, if not, from another appropriately authorised independent financial adviser.

This Part 4 deals with general questions relating to the Open Offer and more specific questions relating principally to persons resident in the United Kingdom who hold their Existing Ordinary Shares in certificated form only. If you are an Overseas Shareholder, you should read paragraph 8 of Part 3 of this document and you should take professional advice as to whether you are eligible and/or you need to observe any formalities to enable you to take up your Open Offer Entitlement. If you hold your Existing Ordinary Shares in uncertificated form (that is, through CREST) you should read Part 3 of this document for full details of what action you should take.

If you are a CREST sponsored member, you should also consult your CREST sponsor. If you do not know whether your Existing Ordinary Shares are in certificated or uncertificated form, please contact Capita Asset Services on 0371 664 0321 from within the UK or on + 44 20 8639 3399 if calling from outside the UK. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. We are open between 9.00 a.m. – 5.30 p.m., Monday to Friday excluding public holidays in England and Wales. Different charges may apply to calls from mobile telephones and calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of the Proposals nor give any financial, legal or tax advice.

The contents of this document should not be construed as legal, business, accounting, tax, investment or other professional advice. Each prospective investor should consult his, her or its own appropriate professional advisers for advice. This document is for your information only and nothing in this document is intended to endorse or recommend a particular course of action.

1. What is an open offer?

An open offer is a way for companies to raise money. Companies usually do this by giving their existing Shareholders a right to acquire further shares at a fixed price in proportion to their existing shareholdings. The fixed price is normally at a discount to the market price of the existing ordinary shares prior to the announcement of the offer.

This Open Offer is an invitation by the Company to Qualifying Shareholders to apply to acquire up to an aggregate of 9,830,300 new Ordinary Shares at a price of 4 pence per share. If you hold Existing Ordinary Shares on the Record Date or have a *bona fide* market claim, other than, subject to certain exceptions, where you are a Shareholder with a registered address or located in the United States or another Restricted Jurisdiction, you will be entitled to apply for Open Offer Shares under the Open Offer. Qualifying Shareholders will also be offered the opportunity to apply for additional shares in excess of their entitlement to the extent that other Qualifying Shareholders do not take up their Open Offer Entitlement in full. The Open Offer is conditional upon completion of the New Investor Subscription. Open Offer Shares will not be issued by the Company unless completion of the New Investor Subscription occurs.

The Open Offer is being made on the basis of 1 Open Offer Share for every 1 Existing Ordinary Share held by Qualifying Shareholders on the Record Date. If your entitlement to Open Offer Shares is not a

whole number, you will not be entitled to buy a fraction of an Open Offer Share and your entitlement will be rounded down to the nearest whole number. The Issue Price of 4 pence per Open Offer Share represents a discount of 40.7 per cent. to the closing middle-market price quotation as derived from the Daily Official List of the London Stock Exchange of 6.750 pence per Ordinary Share on 19 November 2015 (being the latest practicable date prior to the date of the announcement of the Open Offer).

The Excess Application Facility allows Qualifying Shareholders to apply for Excess Shares in excess of their respective Open Offer Entitlements. For the avoidance of doubt, Shareholders with no Open Offer Entitlement (by virtue of their owning fewer than 2,500 Existing Ordinary Shares) but excluding any Overseas Shareholder who has a registered address in the United States of America or any other Restricted Jurisdiction, such number of Excess Shares under the Excess Application Facility as will increase their aggregate holding of Ordinary Shares in the Company to at least 5,000 Ordinary Shares in the Company.

Applications made under the Excess Application Facility may be allocated in such manner as the Directors may determine in their absolute discretion if applications are received from Shareholders for more than the available number of Open Offer Shares and no assurance can be given that excess applications by Shareholders will be met in full or in part or at all.

Unlike in a rights issue, Application Forms are not negotiable documents and neither they nor Open Offer Entitlements can themselves be traded.

2. I hold my Existing Ordinary Shares in certificated form. How do I know I am eligible to participate in the Open Offer?

If you receive an Application Form and, subject to certain exceptions, are not a holder with a registered address or located in the United States or any other Restricted Jurisdiction, then you should be eligible to participate in the Open Offer as long as you did not sell all of your Existing Ordinary Shares before 19 November 2015 (the time when the Existing Ordinary Shares were marked “ex-entitlement” by the London Stock Exchange).

3. I hold my Existing Ordinary Shares in certificated form. How do I know how many Open Offer Shares I am entitled to take up?

If you hold your Existing Ordinary Shares in certificated form and, subject to certain exceptions, do not have a registered address and are not located in the United States or any other Restricted Jurisdiction, you will be sent an Application Form that shows:

- how many Existing Ordinary Shares you held at the close of business on the Record Date;
- how many Open Offer Shares are comprised in your Open Offer Entitlement; and
- how much you need to pay if you want to take up your right to buy all your entitlements to the Open Offer Shares.

Subject to certain exceptions, if you have a registered address in the United States or any of the other Restricted Jurisdictions, you will not receive an Application Form.

If you would like to apply for any of or all of the Open Offer Shares comprised in your Open Offer Entitlement you should complete the Application Form in accordance with the instructions printed on it and the information provided in this document. Completed Application Forms should be returned, along with a cheque or banker’s draft drawn in the appropriate form, by post to Capita Asset Services, Corporate Actions, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU or by hand (during normal office hours only) so as to be received by Capita Asset Services by no later than 11.00 a.m. on 9 December 2015, after which time Application Forms will not be valid. If you post your Application Form by first class post, you should allow at least four working days for delivery.

4. I hold my Existing Ordinary Shares in certificated form and am eligible to receive an Application Form. What are my choices in relation to the Open Offer?

(a) If you do not want to take up your Open Offer Entitlement

If you do not want to take up the Open Offer Shares to which you are entitled, you do not need to do anything. In these circumstances, you will not receive any Open Offer Shares. You will also not receive any money when the Open Offer Shares you could have taken up are sold, as would happen under a rights issue.

You cannot sell your Application Form or your Open Offer Entitlement to anyone else. If you do not return your Application Form subscribing for the Open Offer Shares to which you are entitled by 11.00 a.m. on 9 December 2015, these shares may be allocated to other Qualifying Shareholders who apply for Excess Shares under the Excess Application Facility.

(b) If you want to take up some but not all of your Open Offer Entitlement

If you want to take up some but not all of the Open Offer Shares to which you are entitled, you should write the number of Open Offer Shares you want to take up in Boxes 2 and 4 of your Application Form; for example, if you are entitled to take up 5,000 shares but you only want to take up 2,500 shares, then you should write '2,500' in Boxes 2 and 4. To work out how much you need to pay for the Open Offer Shares, you need to multiply the number of Open Offer Shares you want (in this example, '2,500') by £0.04, which is the price in pounds of each Open Offer Share (giving you an amount of £100 in this example). You should write this amount in Box 5, rounding up to the nearest whole pence and this should be the amount your cheque or banker's draft is made out for. You should then return the completed Application Form, together with a cheque or banker's draft for that amount, by post to Capita Asset Services, Corporate Actions, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU or by hand (during normal office hours only) so as to be received by them by no later than 11.00 a.m. on 9 December 2015, after which time Application Forms will not be valid. If you post your Application Form by first class post, you should allow at least four working days for delivery.

All payments must be in pounds sterling and made by cheque or banker's draft made payable to "Capita Registrars Limited re: Westmount Energy Limited Open Offer A/C" and crossed "A/C Payee Only". Cheques or banker's drafts must be drawn on a bank or building society or branch of a bank or building society in the United Kingdom or Channel Islands which is either a settlement member of the Cheque and Credit Clearing Company Limited or the CHAPS Clearing Company Limited or which has arranged for its cheques and banker's drafts to be cleared through the facilities provided by any of those companies or committees and must bear the appropriate sort code in the top right-hand corner and must be for the full amount payable on application. Third party cheques will not be accepted with the exception of building society cheques or banker's drafts where the building society or bank has confirmed the name of the account holder and the number of an account held in the applicant's name at the building society or bank by stamping or endorsing the cheque or draft to such effect. The account name should be the same as that shown on the application. Post-dated cheques will not be accepted. Third party cheques (other than building society cheques or banker's drafts where the building society or bank has confirmed that the relevant Qualifying Shareholder has title to the underlying funds) will not be accepted (see paragraphs 5 and 6 of Part 3 of this document).

Cheques or banker's drafts will be presented for payment upon receipt. The Company reserves the right to instruct Capita Asset Services to seek special clearance of cheques and banker's drafts to allow the Company to obtain value for remittances at the earliest opportunity. No interest will be paid on payments made. It is a term of the Open Offer that cheques shall be honoured on first presentation and the Company may elect to treat as invalid acceptances in respect of which cheques are not so honoured. All documents, cheques and banker's drafts sent through the post will be sent at the risk of the sender. Payments via CHAPS, BACS or electronic transfer will not be accepted.

A definitive share certificate will then be sent to you for the Open Offer Shares that you take up. Your definitive share certificate for Open Offer Shares is expected to be despatched to you by no later than 31 December 2015.

(c) If you want to take up all of your Open Offer Entitlement

If you want to take up all of the Open Offer Shares to which you are entitled, all you need to do is send the Application Form (ensuring that all joint holders sign (if applicable)), together with your cheque or banker's draft for the total amount due (as indicated in Box 8 of your Application Form), by post to Capita Asset Services, Corporate Actions, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU or by hand (during normal office hours only) so as to be received by them by no later than 11.00 a.m. on 9 December 2015, after which time Application Forms will not be valid. If you post your Application Form by first class post, you should allow at least four working days for delivery.

All payments must be in pounds sterling and made by cheque or banker's draft made payable to "Capita Registrars Limited re: Westmount Energy Limited Open Offer A/C" and crossed "A/C Payee Only". Cheques or banker's drafts must be drawn on a bank or building society or branch of a bank or building society in the United Kingdom or Channel Islands which is either a settlement member of the Cheque and Credit Clearing Company Limited or the CHAPS Clearing Company Limited or which has arranged for its cheques and banker's drafts to be cleared through the facilities provided by any of those companies or committees and must bear the appropriate sort code in the top right-hand corner. Third party cheques will not be accepted with the exception of building society cheques or banker's drafts where the building society or bank has confirmed the name of the account holder and the number of an account held in the applicant's name at the building society or bank by stamping or endorsing the cheque or draft to such effect. The account name should be the same as that shown on the application.

Post-dated cheques will not be accepted. Third party cheques (other than building society cheques or banker's drafts where the building society or bank has confirmed that the relevant Qualifying Shareholder has title to the underlying funds) will not be accepted.

A definitive share certificate will then be sent to you for the Open Offer Shares that you take up. Your definitive share certificate for Open Offer Shares is expected to be despatched to you, at your own risk, by no later than 31 December 2015.

(d) If you want to apply for more than your Open Offer Entitlement

Provided you have agreed to take up your Open Offer Entitlement in full, you can apply for further Open Offer Shares under the Excess Application Facility. For the avoidance of doubt, Shareholders with no Open Offer Entitlement (by virtue of their owning fewer than 2,500 Existing Ordinary Shares) but excluding any Overseas Shareholder who has a registered address in the United States of America or any other Restricted Jurisdiction, may still apply for such number of Excess Shares under the Excess Application Facility as will increase their aggregate holding of Ordinary Shares in the Company to at least 5,000 Ordinary Shares in the Company.

The Excess Application Facility enables Qualifying Shareholders to apply for Excess Shares in excess of their Open Offer Entitlement as at the Record Date. You should write the number of Open Offer Shares comprised in your Open Offer Entitlement (as indicated in Box 7 of the Application Form) in Box 2 and write the number of Excess Shares for which you would like to apply in Box 3. You should then add the totals in Boxes 2 and 3 and insert the total number of Open Offer Shares for which you would like to apply in Box 4. For example, if you have an Open Offer Entitlement for 5,000 Open Offer Shares but you want to apply for 7,500 Open Offer Shares in total, then you should write '5,000' in Box 2, '2,500' in Box 3 and '7,500' in Box 4. To work out how much you need to pay for the Open Offer Shares, you need to multiply the number of Open Offer Shares you want (in this example, '7,500') by £0.04, which is the price in pounds sterling of each Open Offer Share (giving you an amount of £300 in this example). You should write this amount in Box 5. You should then return your Application Form

by post to Capita Asset Services, Corporate Actions, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU or by hand (during normal office hours only) so as to be received by them by no later than 11.00 a.m. on 9 December 2015, after which time Application Forms will not be valid. If you post your application form by first class post, you should allow at least four working days for delivery.

If applications under the Excess Application Facility are received for more than the total number of Open Offer Shares available following take up of Open Offer Entitlements, the Excess Shares may be allocated in such manner as the Directors may determine in their absolute discretion. No assurance can be given that excess applications by Qualifying Shareholders will be met in full or in part or at all.

A definitive share certificate will then be sent to you for the Open Offer Shares that you take up and otherwise successfully apply for using the Excess Application Facility. Your definitive share certificate for Open Offer Shares is expected to be despatched to you, at your own risk, by no later than 31 December 2015.

5. I hold my Existing Ordinary Shares in uncertificated form in CREST. What do I need to do in relation to the Open Offer?

CREST members should follow the instructions set out in Part 3 of this document. Persons who hold Existing Ordinary Shares through a CREST member should be informed by the CREST member through which they hold their Existing Ordinary Shares of:

- the number of Open Offer Shares which they are entitled to acquire under their Open Offer Entitlement; and
- how to apply for Open Offer Shares in excess of their Open Offer Entitlement under the Excess Application Facility provided they choose to take up their Open Offer Entitlement in full,

and should contact them should they not receive this information.

6. I acquired my Existing Ordinary Shares prior to the Record Date and hold my Existing Ordinary Shares in certificated form. What if I do not receive an Application Form or I have lost my Application Form?

If you do not receive an Application Form, this probably means that you are not eligible to participate in the Open Offer. Some Non-CREST Shareholders, however, will not receive an Application Form but may still be eligible to participate in the Open Offer, namely:

- Qualifying CREST Shareholders who held their Existing Ordinary Shares in uncertificated form on 18 November 2015 and who have converted them to certificated form;
- Qualifying non-CREST Shareholders who bought Existing Ordinary Shares before 18 November 2015 but were not registered as the holders of those shares at the close of business on 18 November 2015; and
- certain Overseas Shareholders.

If you do not receive an Application Form but think that you should have received one or you have lost your Application Form, please contact Capita Asset Services on 0371 664 0321 from within the UK or on + 44 20 8639 3399 if calling from outside the UK. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. We are open between 9.00 a.m. – 5.30 p.m., Monday to Friday excluding public holidays in England and Wales. Different charges may apply to calls from mobile telephones and calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of the Proposals nor give any financial, legal or tax advice.

7. Can I trade my Open Offer Entitlement?

Qualifying Shareholders should be aware that the Open Offer is not a rights issue. As such, Qualifying non-CREST Shareholders should also note that their Application Forms are not negotiable documents and cannot be traded. Qualifying CREST Shareholders should note that, although Open Offer Entitlements will be admitted to CREST they will have limited settlement capabilities (for the purposes of market claims only). Open Offer Entitlements will not be tradable or listed and applications in respect of the Open Offer may only be made by the Qualifying Shareholders originally entitled or by a person entitled by virtue of a *bona fide* market claim. Open Offer Shares for which an application has not been made under the Open Offer will not be sold in the market for the benefit of those who do not apply under the Open Offer and Qualifying Shareholders who do not apply to take up their Open Offer Entitlement will have no rights under the Open Offer or receive any proceeds from it. The Open Offer Shares are not underwritten.

8. What if I change my mind?

If you are a Qualifying non-CREST Shareholder, once you have sent your Application Form and payment to Capita Asset Services, you cannot withdraw your application or change the number of Open Offer Shares for which you have applied, except in the very limited circumstances which are set out in this document.

9. What if the number of Open Offer Shares to which I am entitled is not a whole number: am I entitled to fractions of Open Offer Shares?

If the number is not a whole number, you will not receive a fraction of an Open Offer Share and your entitlement will be rounded down to the nearest whole number. However, fractions of Open Offer Shares will be aggregated and made available under the Excess Application Facility.

10. I hold my Existing Ordinary Shares in certificated form. What should I do if I have sold some or all of my Existing Ordinary Shares?

If you hold Existing Ordinary Shares in the Company directly and you sold some or all of your Existing Ordinary Shares before 18 November 2015, you should contact the buyer or the person/company through whom you sell your shares. The buyer may be entitled to apply for Open Offer Shares under the Open Offer. If you sold any of your Existing Ordinary Shares on or after 19 November 2015, you may still take up and apply for the Open Offer Shares as set out on your Application Form.

11. I hold my Existing Ordinary Shares in certificated form. How do I pay?

Completed Application Forms should be returned with a cheque or banker's draft drawn in the appropriate form. All payments must be in pounds sterling and made by cheque or banker's draft made payable to "Capita Registrars Limited re: Westmount Energy Limited Open Offer A/C" and crossed "A/C Payee Only". Cheques or banker's drafts must be drawn on a bank or building society or branch of a bank or building society in the United Kingdom or Channel Islands which is either a settlement member of the Cheque and Credit Clearing Company Limited or the CHAPS Clearing Company Limited or which has arranged for its cheques and banker's drafts to be cleared through the facilities provided by any of those companies or committees and must bear the appropriate sort code in the top right-hand corner. Third party cheques will not be accepted with the exception of building society cheques or banker's drafts where the building society or bank has confirmed the name of the account holder and the number of an account held in the applicant's name at the building society or bank by stamping or endorsing the cheque or draft to such effect. The account name should be the same as that shown on the application. Post-dated cheques will not be accepted. Third party cheques (other than building society cheques or banker's drafts where the building society or bank has confirmed that the relevant Qualifying Shareholder has title to the underlying funds) will not be accepted.

12. Will the Existing Ordinary Shares that I hold now be affected by the Open Offer?

If you decide not to apply for any of the Open Offer Shares to which you are entitled under the Open Offer, or only apply for some of your entitlement, your proportionate ownership and voting interest in the Company will be reduced.

13. I hold my Existing Ordinary Shares in certificated form. Where do I send my Application Form?

You should send your completed Application Form together with the monies in the appropriate form, by post to Capita Asset Services, Corporate Actions, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU or by hand (during normal office hours only). If you post your Application Form by first class post, you should allow at least four working days for delivery. If you do not want to take up or apply for Open Offer Shares then you need take no further action.

14. I hold my Existing Ordinary Shares in certificated form. When do I have to decide if I want to apply for Open Offer Shares?

Capita Asset Services must receive the Application Form by no later than 11.00 a.m. on 9 December 2015, after which time Application Forms will not be valid. If an Application Form is being sent by first class post in the UK, Qualifying Shareholders are recommended to allow at least four working days for delivery.

15. How do I transfer my entitlements into the CREST system?

If you are a Qualifying non-CREST Shareholder, but are a CREST member and want your Open Offer Shares to be in uncertificated form, you should complete the CREST deposit form (contained in the Application Form), and ensure it is delivered to the CREST Courier and Sorting Service in accordance with the instructions in the Application Form. CREST sponsored members should arrange for their CREST sponsors to do this.

16. I hold my Existing Ordinary Shares in certificated form. When will I receive my new share certificate?

It is expected that Capita Asset Services will post all new share certificates by no later than 31 December 2015.

17. If I buy Existing Ordinary Shares after the Record Date, will I be eligible to participate in the Open Offer?

If you bought your Existing Ordinary Shares after the Record Date, you will not be entitled to apply under the Open Offer.

18. Will I be taxed if I take up my entitlements?

Shareholders who are in any doubt as to their tax position should consult an appropriate professional adviser immediately.

19. What should I do if I live outside the United Kingdom?

Your ability to apply to acquire Open Offer Shares may be affected by the laws of the country in which you live and you should take professional advice as to whether you require any governmental or other consents or need to observe any other formalities to enable you to take up your Open Offer Entitlement. Shareholders with registered addresses or who are located in the United States or any other Restricted Jurisdiction are, subject to certain exceptions, not eligible to participate in the Open Offer. Your attention is drawn to the information in paragraph 8 of Part 3 of this document.

20. Further assistance

Should you require further assistance on the completion of the Application Form please contact Capita Asset Services on 0371 664 0321 from within the UK or on + 44 20 8639 3399 if calling from outside the UK. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. We are open between 9.00 a.m. – 5.30 p.m., Monday to Friday excluding public holidays in England and Wales. Different charges may apply to calls from mobile telephones and calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of the Proposals nor give any financial, legal or tax advice.

Existing Ordinary Shares

The issued and fully paid up share capital of the Company as at 18 November 2015 (being the latest practicable date before publication of this document) was £1,966,060 comprising 9,830,300 Ordinary Shares.

Conversion to No Par Value

As the Ordinary Shares which are the subject of the New Investor Subscription and the Open Offer are to be issued at a price representing a discount to the market quoted price of the Existing Ordinary Shares as derived from the Official List of the London Stock Exchange, the Company considers it prudent to convert each of the authorised Ordinary Shares (including each of the Existing Ordinary Shares) into shares of no par value. It is also proposed that each of the authorised redeemable 'B' shares of the Company are converted into redeemable 'B' shares of no par value and that the Company be authorized to issue an unlimited number of shares.

The proposal to convert the shares of the Company to shares of no par value is to be put to the Company's members at the Annual General Meeting of the Company which is scheduled to take place on 11 December 2015.

On the conversion of a company with par value shares to one with no par value shares, a no par value share company is comprised of shares which are not expressed as having a nominal (or par) value. Instead of maintaining a nominal capital and/or a share premium account (or such other capital accounts) the Company would maintain a stated capital account which is not share capital. Any existing share capital or share premium is to be credited to the Company's stated capital account. A company with shares of no par value is also permitted to make distributions out of the stated capital account and be authorized to issue an unlimited number of shares.

Following Admission there will be up to a further 15,830,300 Ordinary Shares in issue. If no Open Offer Shares are issued then the Company will continue to have issued shares of 9,830,300 Ordinary Shares. If all the Open Offer Shares are issued then immediately following Admission the Company will have an issued shares of 25,660,600 Ordinary Shares.

The New Investor Subscription is conditional on approval of the Shareholder Resolution (approving the conversion of the par value shares of the Company to shares of no par value). If no Open Offer Shares are issued but the New Investor shares are issued then the Company will have 15,830,300 issued shares.

The Company's Articles of Association provide that the directors of the Company have the general and unconditional authority to allot or otherwise deal with the unissued shares of the Company to such persons at such times and on such terms and conditions as they may decide.

2. Directors' Interests

The beneficial interests of the Directors are as follows:

5. Conditional Subscription Agreements

The Conditional Subscription Agreements set out the terms and conditions of the New Investor Subscription. The Conditional Subscription Agreements are conditional upon the shareholders of the Company approving the conversion of all of the shares in the Company to shares of no par value.

The Conditional Subscription Agreements provide for the subscription by each of John Craven and Dermot Corcoran of 3,000,000 new Ordinary Shares each. Pursuant to the Conditional Subscription Agreements, the New Investor Subscription may involve the subscription by each of John Craven and Dermot Corcoran of less than 3,000,000 new Ordinary Shares each (so in aggregate less than 6,000,000 new Ordinary Shares) if subscriptions at that level would result in John Craven and Dermot Corcoran holding in aggregate such number of shares which would exceed 29.9 per cent. of the Enlarged Shares following the Open Offer. In that event, the Conditional Subscription Agreements provide that the number of new Ordinary Shares to be subscribed for by each of John Craven and Dermot Corcoran separately is to be the half the number of shares which (as closely as possible) represents an amount equal to but not exceeding 29.9 per cent. of the Enlarged Shares following the Open Offer.

If the approval of the shareholders of the Company in relation to the no par value conversion is not obtained then the New Investor Subscription will not be completed.

The Open Offer is conditional upon completion of the New Investor Subscription which means that if the New Investor Subscription is not completed then the Company will not proceed with the Open Offer and the invitation made to Qualifying Shareholders to apply to subscribe for the Open Offer Shares will lapse.

6. Irrevocable Undertakings

Each of Mr Gerard Walsh and Mr Thomas O’Gorman have given their respective Irrevocable Undertakings to the Company and Cenkos Securities that, among others, (i) each of them shall procure that all the Existing Ordinary Shares currently held by him will remain beneficially owned by him between the date of the respective Irrevocable Undertakings and up to the close of business on the Record Date as they are as at the date of the Irrevocable Undertakings; and (ii) each of them shall subscribe for (a) his full Open Offer Entitlement to Open Offer Shares pursuant to the Open Offer and, (b) subject only to (i) the availability of Excess Shares under the Excess Application Facility, (ii) allocation of such Excess Shares on a discretionary basis by the Directors of the Company and (iii) the aggregate holdings of each of Gerard Walsh and Thomas O’Gorman not exceeding 29.9 per cent. of the issued Enlarged Shares of the Company following the Open Offer, 900,000 Excess Shares each under the Excess Application Facility. This commitment constitutes a related party transaction under Rule 13 of the AIM Rules for Companies. The Company's independent director, David King, having consulted with the Company's nominated adviser, Cenkos Securities, considers that the terms of the transaction are fair and reasonable insofar as Shareholders are concerned.

7. General

Cenkos Securities has given and not withdrawn its written consent to the issue of this document with the inclusion in it of references to its name in the form and context in which they appear.

The Gross Proceeds of the New Investor Subscription will be £240,000 before expenses, assuming the Open Offer Shares are fully taken up.

Shareholders who take up Open Offer Shares on 14 December 2015. No temporary documents of title will be issued. Definitive share certificates for Qualifying non-CREST Shareholders are expected to be despatched by no later than 31 December 2015. Prior to the despatch of such certificates, transfers will be certified against the register of members of the Company.

8. Availability of Document

Copies of this document are available free of charge at the Company's registered office, during normal business hours on any weekday (Saturdays and public holidays excepted), and shall remain available for at least one month after Admission. In addition, this document will be available free of charge for a period of 12 months from the date of this document on the Company's website www.westmountenergy.com.
